

The Eldorado National Forest is soliciting competitive offers for the Meiss Trap Forest Health Stewardship Project. Meiss Trap Forest Health Stewardship Project is located within T.9.N., R.14.E., T.9.N., R.15.E., T.10.N., R.15. E., M.D.B.&M. Sealed – “Best Value” offers will be received at the Forest Supervisor's Office at 2:00 P.M. local time on Monday, January 14, 2013 for an estimated 26309 Tons (4034 M board feet) of sawtimber marked or otherwise designated for cutting on 854 acres and one Mandatory stewardship project. The Mandatory Project #1 is Small Tree Thinning and Removal on 792 acres. The Forest Service will evaluate competitive offers submitted by offerors who present a price offer and technical proposal according to the information found under the section in the offer titled “Instructions to Offerors.” Evaluation factors for this project are technical approach, capability and past performance, utilization of local workforce, and price. One award will be made to the offeror whose proposal is technically acceptable and whose technical/price relationship is the “best value” to the Government. The Forest Service reserves the right to reject any and all offers. Due to seasonal road closures you will need to obtain written permission to use these roads to view the sale area. The written permission and the prospectus is available to the public and interested offerors from the offices listed below. Information concerning the timber and stewardship projects specific to this project, and submission of offers is available to the public from the District Ranger, Placerville Ranger District, 4260 Eight Mile Road, Camino, CA 95709 or the Forest Supervisor, 100 Forni Road, Placerville, California 95667.
