GS-03 Announcement #: **TEMPOCR-0462-3-FIRE**

GS-04 Announcement #: **TEMPOCR-0462-4-HOTSHOT-DT**

GS-05 Announcement #: **TEMPOCR-0462-5-HOTSHOT-DT**

Position: Arduous Level Firefighter

Series: 0462

Grade: GS-03 through GS-05

Appointment Limit: 1039 hrs. /Full Time Seasonal

Location: Silver City, NM/Gila National Forest/Fort Bayard Admin. Site

Target Audience: The Silver City Hotshots are looking for highly motivated adults with a strong work ethic and ability to work outdoors. You must be able to perform hard physical labor in remote areas of the nation's forests and grasslands for long extended periods of time in primitive living conditions, while engaged in high stress and high risk wild-land and urban interface fire environments, as well as all 'All Risk' incidents.

Seeking:

- Individuals with at least 1 season experience in wild-land fire
- Chainsaw experience, thinning and felling experience (B sawyer or better)
- Proven individuals who can work in a structured cohesive team environment
- Individuals who are physically fit and self-motivated to be the best
- Individual who are mentally conditioned to work in a close quarters team environment

Criteria for GS Levels 3-5

GS-03: No experience required but preferred

GS-04: 90 days experience in wild-land fire with satisfactory performance rating

GS-05: 120 days specialized experience in wild-land fire, Qualified as FFT1, Completed S-290 NWCG Course.

Note: All applicants must attach/upload supporting documentation of the above criteria to their application as well as their IQCS master record if applying for GS-05 positions, (**housing limited**)
