Some roads are **not displayed** on this map because they are unavailable for public use (i.e. private roads, roads closed for natural resource reasons). Keep this in mind as you travel through the forest. This map is a companion to the Klamath National Forest Motor Vehicle Use Map (MVUM), which explains where, when, and what types of motor uses are allowed on the National Forest. It is the responsibility of the forest visitor to acquire the current Klamath National Forest MVUMs, which are available at no cost from Forest offices, and printable from the Klamath National Forest Web Page: www.fs.usda.gov/klamath. 02/22/2016
