

CHEAHA WILDERNESS 30TH ANNIVERSARY JANUARY 3, 2013

The Talladega National Forest will celebrate the Cheaha Wilderness 30th anniversary on March 23, 2013 at the Cheaha Trailhead. Check Forest Service websites this spring for the dates of special events that are open to the public. Plans are to have a wilderness hike, photo contest and traditional skills demonstration. Information will be shared on leave no trace ethics and the progress made regarding the 10-year wilderness challenge. Our new partners, Wild South will also have information regarding our new Volunteer Wilderness Ranger Program. Please contact the Talladega Ranger District at 256-362-2909 for additional information.
