

PRESCRIBED BURN

Henry's Project Area

The Placerville Ranger District of the Eldorado National Forest will be conducting an understory burn. The prescribed burn will consist of 2-3 days of ignitions and 1 week of mop up and patrol of hotspots. Ignitions for the prescribed burn are scheduled to occur

January 23 – 25 , 2013.

The project is approximately

➤ **220 acres,**

located along **Forest Road 9N60** and

Caldor Railroad Grade (Forest Road 9N45)

The legal location is as follows:

**Township 9 North, Range 13 East,
Sections 27, 28, 33, 34**

➤ **Please Note:**

➤ **The burn project size has been reduced significantly from the original plan.**

The objectives of this prescribed burn is to reduce the existing fire hazard, enhance wildlife habitat, and reintroduce fire into a fire-dependent ecosystem.

Ignition of the project is dependent on favorable weather conditions. All attempts will be made to minimize smoke impacts to surrounding communities.
