

Temporary Seasonal Outreach Notice

Rio Grande National Forest

San Luis Valley interagency Fire Management Unit

GS-0462-03/04/05 (FS seasonal firefighter and Fuels)

GS-0455/0642-02/03/04/05 (BLM range or forestry Aid/ Tech)

The Rio Grande National Forest will be filling seasonal positions within our organization, as Type 6 Fire Engine crew members and/or Fuels Crew members (Forest Service and BLM). The Duty Stations locations may be in La Jara, Saguache, Del Norte or Monte Vista Colorado.

We intend to request a Certificate of Eligible Candidates in mid-February, 2013. Anticipated Start Date is late-April, 2013.

The San Luis Valley Interagency Fire Management Unit consists of The National Park Service, Bureau of Land Management, U. S Fish and Wildlife Service and the U.S. Forest Service who have pooled their resources and personnel to create an efficient, highly experienced and skilled fire and Fuels management team for the San Luis Valley.

The interagency team functions as a single unit to respond to wildland fires, plan and conduct prescribed burns, and reduce fuels on federal lands.

Forestry Technician, Fuels, Engine Crew, Forestry Aid:

Duties involve rigorous fieldwork requiring above average physical performance. The positions will be working fire suppression and a variety of fuels projects locally on the SLVIFMU with the expectation to go on assignments to neighboring forests or out of state.

Please click on the announcement links below to view specific information for each position (duties, key requirements, qualifications, and application process).

How to apply:

Apply On-Line at USAJOBS. This online application process allows applicants to submit employment information that can be printed for personal use and saved and/or edited on the website for future use. Clicking the links below will take you directly to the announcements on USAJOBS. If you do not have a USAJOBS account the system will help create one. Your account can be used to apply for other federal job vacancies.
