

Cooperator's Agenda

Aug. 20, 2012

Liaison Officers

Jim Whittington: (b) (6)
Dwight Robanske:
Clint Robbins:

Introduction: Dwight Robanske

IC Comments: Mike Morcom

Operations Update:

Weather/ Fire Behavior Update:

Concerns and Issues:

- Property owners want current information:
Obtaining phone numbers to keep them updated and supplying road blocks with current information.
- Wood Cutters out in Forest
Area closure in effect for Modoc Forest
- Ruby Pipe Line, Concerned about an above ground pipe.
Received lat/longs, passed along to Operations
- The use of local vendors
Currently using Septic service, Safeway for supply cache, Laundry and Sewer Treatment Plant
- B.E.A.R. and also mechanism for the affected property owners to make claims for damaged property. Point of contact and method.
Point of contact is the Forest. Lisa Swinney, (b) (6)
- Recognizing local volunteer fire depts. for their hard work and cooperation with the team.
Make an effort to thank them individually and publicly. Had a radio spot in the morning on 8/17/12, recognizing the volunteer depts.

Operations Update:

Weather Update:

Fire Behavior Update:

Concerns and Issues:

Up dates are not being posted at an adequate enough places in the area.

PIO will make a concerted effort to expand their postings.

Alturas cooperators would like to know when the fire reaches the rim above Goose Lake.

Cell phone text? Email? Social Media?

Fire Chief's Assoc. in Modoc Co. would like to be in contact with Operations for assistance with fire suppression.

Passed that information to Operations Chief

The Pit River Tribe has concerns about the Tribal Cultural Areas in and near the fire area.

Passed information on the Operations and contacted the resource advisers and Pit River Tribal Rep and discussed their concerns.

Information of road closures in Modoc Co. be relayed back to the Incident Base.

The Sheriff's Dept will contact the Incident Liaison Officer with the information.

Operations Update:

Fire Weather/Fire Behavior Update:

Concerns and Issues: See Page 2

Next Meeting Time and Day:

Concerns and Issues:

- The Burning Man Event will be on Aug. 23, 2012 in Nevada. Will that event affect activities on the Barry Point Fire? There should be increased road traffic in the area and also increased air traffic at the Alturas Air Port. Some air traffic will not follow the TFR advisory and interfere with Barry Point Fire Air traffic.
- Information of road closures in Modoc Co. be relayed back to the Incident Base.
The Sheriff's Dept will contact the Incident Liaison Officer with the information.
- The Incident Management Team had a concern with the up coming hunting season with the hunters being in the closure area.
The Modoc County has posted notices in the ingress areas and will notify Liaison with the location of postings.

Resolved: Up dates are not being posted at an adequate enough places in the area.
PIO will make a concerted effort to expand their postings.

Resolved: Alturas cooperators would like to know when the fire reaches the rim above Goose Lake.
Operations will inform Liaison and they will make the contacts.

Resolved: Fire Chief's Assoc. in Modoc Co. would like to be in contact with Operations for assistance with fire suppression.
Structure Protection Group Supervisor met with Fire Chief's Assoc. in Modoc Co. and they will make every effort to resolve the issue.

Resolved: The Pit River Tribe has concerns about the Tribal Cultural Areas in and near the fire area.
Passed information on the Operations and contacted the resource advisers and Pit River Tribal Rep and discussed their concerns.

Resolved: Modoc County Sheriff's Office has a repeater that may be in the fire path.
Structure Protection Group was notified and given the contact information for the Sheriff's Office.

TRANSER OF COMMAND

LAKEVIEW:

Cooperator's meetings went very well in Lakeview. We conducted 5 Cooperators meeting in Lakeview, one at the ICP and the rest at the Lake County Court House. We had six issues and concerns, which were all resolved. In the event that more cooperator meetings are required you can contact The Clerk of the Board of Lake County Commissioners Denise Thorsted (b) (6) is a outstanding resource and will help you in contacting cooperators and setting up the meeting room at the court house.

MODOC:

Cooperator's meetings in Modoc County were livelier with colorful exchanges. Our meetings were held at the Modoc Forest Service Office. We conducted four meetings there. We had a total of eight concerns and issues with all being resolved. In the event that additional cooperator meetings are necessary, Susie Johnson acting PAO (b) (6) on the forest would be a great resource.

I have included in this packet a list of attendee's along with their phone numbers.

Lakeview: Dan Shoun Commissioner (b) (6)
Phil McDonald, Sheriff, (b) (6)
Billy Gatlin, Ruby Pipeline, (b) (6)
Brad Winters, Commissioner, (b) (6)
Roland Glade, Thomas Creek/Westside RFD, (b) (6)
Bob Pardee, Lake County Airport, (b) (6)
Plus ODF and Forest Service agency personnel

Modoc County: Paula Jessup, City of Alturas, (b) (6)
Mike Poindexter, Sheriff Modoc County, (b) (6)
Mike Crutcher, Deputy Sheriff Modoc County, (b) (6)
Jerry Heikura, California Highway Patrol, (b) (6)

Shawn Normington, Pit River Tribe, (b) (6)

James Stafford, Willow Ranch V.F.D. (b) (6)

James M. Stafford, Willow Ranch V.F.D., (b) (6)

Ron Sherer, Modoc Fire Chief's Association, (b) (6)

Pat Cantrall, Modoc County Supervisors, (b) (6)

Jeff Bullock, Modoc County Supervisors, (b) (6)

Bryon Hadwick, NRCS, (b) (6)

Chris Lauppe, USDA Farm Service, (b) (6)
