# Snow Grooming Report 2013

## Comments

### Almanor Ranger District:

No additional information.

### Eagle Lake Ranger District:

Trails are in good condition for riding. The Bizz Johnson Trail from Susanville to the first tunnel and from Devils Corral to Goumaz should be Ginzu groomed for cross-country skiing today (01/24). The Butte Lake Road from 44 to the Lassen Volcanic National Park boundary should also be groomed on Friday for cross-country skiing.

### Hat Creek Ranger District:

Ashpan and Latour are 100% open and groomed with about 100 miles of trails. Snow is holding up very well due to cold temps, with 3-7' depending on the area in the system. A-1 thru A-10 and L-1 thru L-5 are groomed and done. Plans are to groom the outlying areas of Latour, as well as the lower 16 Road, on 01/24. Please watch for hazards, as with warming temps they could occur without warning.

~~~~~  
Remember to *ride right*, and to be aware of hazards, changing conditions, and fellow riders. Have a safe ride!!!
