OUTREACH ANNOUNCEMENT

Seasonal Fisheries Jobs

The Salmon-Challis National Forest North Zone Fisheries Program is currently looking to fill up to six positions to be part of a fisheries monitoring crew. Employment will last from approximately late May through late August for up to four positions. Employment will last from approximately late May through late October for up to two positions. All of the filled positions will be stationed at the Salmon-Cobalt Ranger District in Salmon, Idaho and all of the work schedules will be the same 40 hours/week. This notification is being circulated to inform prospective applicants of this opportunity and how to apply.

Housing: There is no government quarters available. Employees will be required to find their own housing. Rental rates in Salmon generally range from \$500 - \$800/month.

Position Duties

- Performs aquatic monitoring activities as part of the north zone fisheries crew. Aquatic monitoring activities include: installing stream temperature thermographs, backpack electrofishing, stream habitat surveys, Chinook salmon redd surveys and bull trout redd surveys.
- Field work involves data collection and the use of handheld GPS receivers, the work requires walking in streams wearing hipboots, polarized sunglasses and wearing a 40 pound backpack electro-shocker and the ability to identify juvenile fish.
- Office work involves computer work and ability to use Microsoft word and excel
- Must be in good physical condition and able to carry up to 40 pounds in streams, unstable terrain on a daily basis.
- Must have valid State Drivers License.

How do I Apply?

These positions are being filled through an open, continuous, on-line application process. There is no deadline for applying; however, interested individuals are encouraged to apply as soon as possible but **NO LATER THAN FEBRUARY 22nd**. The application process can take some time, so please plan accordingly to provide a complete application.

Applicants can go to www.usajobs.gov and enter the announcement number (listed below) under Search Jobs then click Search. Click on the Position Title link and an Apply Online button will become available for creating a profile and applying to the job. Be sure to specify Salmon, Idaho as the duty location. These positions are now posted.
