TRACKS	

List of Agencies, Organizations and Persons to Whom Copies of the DEIS Were Sent

Notice of the availability of this DEIS was mailed to the public, forest employees, tribal governments, Federal and State agencies, and local governments. In August 2010, the forests sent postcards to the entities on the plan revision mailing list requesting they return the card if they wanted a copy of the DEIS sent to them, and to specify what format they would like it in. The DEIS was mailed to those that asked to receive a copy. These mailing lists can be found in the “Plan Set of Documents” and are available on request.
