Application Instructions

The Salmon-Challis National Forest employees will award four \$1,000.00 scholarships in 2013, one to each of the four local high schools (Salmon, Leadore, Challis, and Mackay).

Applicant Eligibility: These scholarships are open to all graduating seniors from one of the four high schools with a cumulative grade point average of 2.75 or higher. Students graduating in the spring of 2013, who plan to attend an accredited college, university or technical college in the U.S. in the fall of 2013, are eligible. Home schooled graduating seniors are eligible and can apply; their applications must be submitted and judged with those from the local high school district in which the homeschooled student resides.

Application Requirements: Applicants are required to complete the attached application package. Two evaluation forms or letters of recommendation are required as part of the application requirements. Evaluation forms are included in the application package. If a letter of recommendation is submitted instead of the attached form the applicant must ensure the evaluator addresses the criteria listed on the application form. One evaluation/letter is to be from a teacher/school affiliated person, the other from a person in the local community in which the applicant resides. Please make sure the Evaluation Forms/Letters are signed and the title of the evaluator is included. A short essay, as described on the last page of this application, is also required. Essays will be evaluated on content, grammar and spelling.

Selection Criteria: The scholarships will be awarded based on a combination of cumulative GPA (2.75 or greater), community service, extracurricular activities, evaluations/recommendations and quality of the essay.

How to Apply: The application package is available on the Salmon-Challis National Forest website at www.fs.fed.us/r4/sc, at the local Ranger District office, or at the local high school counselor's office.

Deadline: Scholarship application packages MUST be on file in the local high school counselor's office on or before April 15, 2013, or they may be delivered to the local Ranger District office by same date. No late applications will be considered. Scholarship winners will be notified by the Forest Service on or before May 20, 2013.
