Forestry Technician (Training Specialist) GS-462-9***

The Supervisor's Office of the Boise National Forest will be filling a Training Specialist (GS-0462-09) position. **The Vacancy Announcement Number is 13-1104020000-02664G-SG.** The purpose of this Outreach Notice is to inform applicants interested in applying for the position to **submit their applications in USAJOBS no later than April 5th 2013.**

About the Position

Series/Grade: GS-0462-09

Title: Forest Training Specialist

Announcement Number: 13-1104020000-02664G-SG

Location: Boise, ID

Tour of Duty: Permanent Full Time

Housing: No government quarters are available.

Duties: The Training Specialist is assigned to the fire organization in the Supervisors' Office, Boise National Forest. The incumbent is responsible for performing as a training specialist in the development and implementation of Forest training courses and programs, in the disciplines of fire and fuels management, aviation management, and related areas.

The Training Specialist also provides instruction on a variety of topics in fire and aviation safety. Applies technical methods and procedures related to fire and/or aviation operations and to managing agency programs. Performs a wide variety of limited aviation operations projects incorporating diverse technical knowledge. Assists in developing Regional and local fire and/or aviation management curriculum, courses, and training materials. Develops course objectives, including instructional and performance objectives; prepares and develops course content and format; plans instructional aids and test measurements or designs them as needed for course and student evaluating; and makes short and long-range updates and changes in the package as necessary to maintain validity and currency. Serves as a coordinator for Interagency, Regional, and local fire and/or aviation management courses and workshops. Prepares announcements, specific instructional and performance objectives, selects instructors and instructional materials. Serves in a variety of fire assignments and details as qualified and needed to maintain qualifications and credibility in profession.

This is a secondary firefighter position under the provisions of 5 U.S.C. 8336(c) and 5 U.S.C. 8412(d). Incumbent's firefighter retirement coverage depends upon past work history. The position performs administrative duties connected to wildland firefighting. The position requires previous primary/rigorous wildland firefighting experience.
