# Snow Grooming Report 2013

## Comments

### Almanor Ranger District:

The groomer reports grooming for the Morgan Summit routes is done for the season and Highway 172 is now open. Some signs have already been removed.

### Eagle Lake Ranger District:

No grooming has occurred due to the lack of snow and warm temperatures. Signs will be picked up and grooming equipment put away for the season.

### Hat Creek Ranger District:

There has been no new grooming. Unless the snow piles up in the next week, there will be no more grooming. The season is officially done as of April 1.
