McKenzie River Ranger District
57600 McKenzie Hwy
McKenzie Bridge, OR 97413

Join us for a day of fun working on the
McKenzie River Ranger District of the
Willamette National Forest,
Recently Awarded the
National Elk Country Award for
Their Outstanding Commitment to Improving
Wildlife Habitat!

The following activities are planned for this work party!

- Volunteers will remove Scotch Broom with bladed weed eaters and chainsaws* from elk foraging grounds.
- If you have been certified in the past by the US Forest Service for chainsaw operation, please bring your chainsaw and your personal protective equipment. You will have an opportunity to get re-certified on this project! **Please RSVP.**
- **Only those certified with the USFS can operate chainsaws on partnership projects. All chainsaw operators must hold a current First Aid / CPR certification**
- This project qualifies for Master Hunter program participants.

What to Bring

Gloves, sturdy boots, rain gear - just in case, loppers, pruners, water and your lunch.

Please RSVP if you would like to volunteer for this project.
