2012 Region 6 Computer Rental BPA

Agreement Number: **AG-04H1-B-13-9901**

SmartSource Computer and Audio Visual Rentals

4630 E. Elwood Street, Suite 14

Phoenix, AZ 85040

Phone: 480.829.6336

24/7 Pager: 602.389.1027

Description of Agreement

This Blanket Purchase Agreement (BPA) is for the following: **COMPUTER/PRINTER RENTALS**

Contractor Provided Equipment. Equipment shall meet all standards established by specification or incorporated by reference and shall be maintained in good repair by the Contractor. The Contractor shall provide equipment including software, software installed, hardware, and consumables as stated. The contractor shall provide updated Microsoft Win7 Security Patches as they come available. Costs for these patches are included in the pricing offered for daily/monthly rates.

Government Provided Services, Licensing, and Software: Licenses will be provided under existing USFS Enterprise Licensing Agreements. GIS software will be installed per directions as detailed in 2013 GIS Installation instructions provided to SmartSource Rentals. When returned GIS computers will be wiped, reimaged/reinstalled, licenses reset and will be ready for the next order. This software will be provided to the vendor(s) in a media device that is at the discretion of the Geographic Area (i.e., thumb drive, CD, DVD, etc.). I-Suite software can be downloaded from the following Web site: <http://isuite.nwcg.gov/index.html>

MINIMUM EQUIPMENT REQUIREMENTS

The contractor is responsible for all computer/printer rentals necessary to meet or exceed the BPA specifications and as noted for specific ordering and payment provisions specific for Region 6.

Extent of Obligation

It is here noted that the Government is obligated only to the extent of authorized purchases actually made under the BPA by authorized USDA/DOI Employees. Individual orders shall not exceed \$150,000.

Individuals Authorized to Place Orders

Orders can be placed for incidents within Region 6 only (Oregon & Washington).

Dispatchers, Buying Team Members, Finance Section Chiefs, Procurement Unit Leaders, Contracting Officers, and Purchasing Agents are authorized to place orders against this agreement. Orders must be placed in accordance with established ordering procedures as specified in National and Regional mobilization guides.

Rental Process

Ordering

The SmartSource Phoenix office will be the initial point of contact for all orders. Phoenix daytime phone number: 480.829.6336, 24/7 pager number: 602.389.1027. SmartSource Computer & Audio Visual Rentals has 24 offices nationwide, which can be used to fulfill Fire orders. However, all orders are coordinated through the Phoenix office at phone and pager numbers noted above.

Most orders are fulfilled on-site within 24-48 hours.

Payments

1. Payments shall be made by the Local Purchasing Official, Albuquerque Service Center, or DOI agencies payment center.

2. Payments will normally be processed by the Incident Management Team (IMT) currently responsible for each respective incident, utilizing the OF-286 Equipment Use Invoice.
3. IMT's are responsible for submitting copies of their anticipated needs to the Designated Ordering Office.
4. Each order will require the following:
 - a. Resource order with assigned number
 - b. Fire name
 - c. Fire number
 - d. Location of the fire
 - e. Quantity and Items being requested
 - f. Contact person to receive and hold FULL accountability of equipment ordered,
 - g. Timeframe estimated for rental (End of Incident), there is a one month minimum for all orders.
 - h. Shipping costs to and from Incident (estimated)
5. See the Schedule of Items for pricing.
6. Host agency at each Incident shall work with IMT personnel (CTSP, COML, PROC, FSC) to assure that all equipment is received, paid, and returned to the contractor as agreed under the order placed.
7. Incident Management Teams shall provide property transfer documentation noting the team and contact information of the individual(s) and position(s) held that will take over the accountability of equipment.
8. Further accountability responsibilities are given to the IMT members: CTSP and COML to assure that all units are accounted for at the receipt and return of equipment. Logs shall be maintained and turned into the Finance Section upon return of the equipment to support the payment for the units.

9. Contractor shall be notified of this information within one (1) business day following the receipt of the equipment.
10. Contractors shall provide to the Government a tracking log of all equipment shipped and returned per incident.
11. Any equipment that is returned damaged or lost needs to be reported to the incident contact as soon as possible.
12. The Incident Management Team and or Host Agency shall be responsible for the return shipping of all equipment back to the contractors.
13. No cancellation of orders shall be accepted by the contractor after the equipment is shipped and or leaves their business.
14. Yearly review of IT hardware and software requirements will be done and incorporated each respective year.
15. The designated Service Area Contracting Officer (CO of signature of the I/O EERA) shall process all claims.
16. If elected, credit card payments may be made by local procurement officials using established commercial invoicing procedures. Original buyer's credit card will continue to be charged for each monthly rental period until: A. All equipment from order is returned, or until; B. SmartSource Rentals is provided with another Buyer's credit card.

Special Terms and Conditions

- All rates have a one month minimum.
- The monthly rental rates listed apply for a one month rental period.
- The first month of a rental is not eligible for pro-ration.
- Subsequent months are eligible for a pro-ration of 50% of the monthly rental rate if the equipment is received in the SmartSource Rentals office by the 15th day of any subsequent rental period.
 - Any equipment received after the 15th day of any subsequent rental period will be invoiced at the full monthly rental rate.
- SmartSource Rentals will also extend a 3 day grace period to receive equipment back from a rental. So for example, if the rental period ends on May 1 and SmartSource Rentals receive the equipment back on May 4, SmartSource rentals will effectively consider that the rental period ended on May 1, and not invoice for the subsequent rental period.
- If payments will be via credit card by the local incident agency, credit card information will be due at time of order, or within 1 business day after order is placed. However, invoices won't be processed for payment until the end of each month's rental period.
 - Original buyer's credit card will continue to be charged for each monthly rental period until
 - All equipment from order is returned, or until
 - SmartSource Rentals is provided with another Buyer's credit card
