Caribou-Targhee N.F.—Palisades Ranger District
Idaho State Dept. of Fish and Game—Upper Snake Region

When:

Tuesday

May 21, 2013

9:00 am – 2:00 pm

Location:

Meet at the Swan Valley
American Legion
(157 Stoltenberg Ln)
and carpool out to Rainey
Creek

You are invited on a field trip of the Rainey Creek drainage of the Caribou-Targhee National Forest to participate in a collaborative process to address the vegetation health issues within this area. This will be the third of four meetings planned to jointly develop a proposal to improve elk and mule deer winter range through vegetation restoration. The treatment area is approximately 7,000 acres and

located to the north of Rainey Creek Road, in the Swan Valley area. Idaho Fish and Game is partnering with the Forest Service and public involvement and participation is encouraged.

Participants should bring a lunch and appropriate attire for the weather and transportation.
