

# LIST OF TABLES

Table 1.1	Acres of Old-Growth/Mature Forest to be Retained, Increased.....	5
Table 1.2	A Summary of Existing Watershed Condition Categories.....	5
Table 1.3	Acres to be Treated to Mitigate High Hazard Fuels.....	6
Table 1.4	Estimated 10– and 20– Year changes in Acres of Forest vegetation Structural Changes.....	6
Table 1.5	Estimated 5-, 10– and 15– Year changes in Acres for Grassland vegetation Structural Changes.....	7
Table 1.6	Land Ownership/Boundary Management Strategy.....	9
Table 1.7	Lands/Uses Backlog Strategy .....	9
Table 1.8	Forest <i>Minimum</i> Requirements for Snag and Woody Debris Retention and Continuing Recruitment on Forest Sites following Timber Harvest.....	19
Table 1.9	Standard for the Required Minimum Numbers of Seedlings for Adequate Restocking of a Cutover Site.....	20
Table 1.10	Standard for the Required Minimum Numbers of Seedlings for Adequate Restocking of a Regeneration Site.....	20
Table 1.11	Appropriate Silviculture Systems by Forest Type Cover.....	21
Table 1.12	Timber Utilization Standards.....	23
Table 1.13	Sample Guidelines for When an Opening is No Longer considered an opening.....	24
Table 1.14	Allowable Use Guidelines for Rangeland Planning.....	26
Table 1.15	Riparian Vegetation Residue Allowances.....	27
Table 1.16	High Value Recreation Waters.....	36
Table 2.1	Example of Travel Management Strategy Table.....	46
Table 2.2	Habitat Effectiveness Compares with Road and Trail Densities by Geographic Area.....	322
Table 3.1	Generally Allowed Activities in Management Area Category 1.....	326
Table 3.2	Generally Allowed Activities in Management Area Category 2.....	327
Table 3.3	Generally Allowed Activities in Management Area Category 3.....	327
Table 3.4	Generally Allowed Activities in Management Area Category 4.....	328
Table 3.5	Generally Allowed Activities in Management Area Category 5.....	328
Table 3.6	Generally Allowed Activities in Management Area Category 6.....	329
Table 3.7	Generally Allowed Activities in Management Area Category 7.....	330
Table 3.8	Generally Allowed Activities in Management Area Category 8.....	330
Table 3.9	Wilderness Opportunity Class Description.....	333
Table 3.10	Wilderness Opportunity Class.....	334
Table 4.1	Minimum Legally Required Monitoring Activities.....	393
Table 4.2	Forest plan Monitoring Questions, for Priority Management Emphasis, and Stakeholder/Public Involvement ARNF/PNG, 1996-2007.....	394
Supplemental Table 1	.....	399
