

American Fork Canyon-Recreation Fee Area

Fee Program Review

The American Fork Canyon Recreation Fee Area is designated as a High Impact Recreation Area that is successfully managed due to local, county, state, and federal partners, as well as the collection of fees for maintenance and improvements. In response to the public's concern about how fees were charged in these areas, the Forest Service has recently completed a nationwide review of the Recreation Enhancement Act. Upon completion of this review the following changes are being proposed in the American Fork Canyon Fee Area.

The AF Canyon Fee Area

The standard-amenity fee structure for sites (picnic areas, trailheads, restrooms, etc.) along SR-92 (Alpine Loop) and FS-144 to Tibble Fork reservoir will remain the same, and local passes will still be honored as long as dates are valid. A map detailing this area is shown on the back of this page.

Timpanogos Cave National Monument

Visitors to Timpanogos Cave National Monument will not be required to pay the standard-amenity fee. The standard-amenity fee would only apply to visitors leaving the park and utilizing the American Fork Canyon Fee Area or stand-alone sites identified on the back of this page.

Developed Campgrounds

Visitors staying in one of the developed campgrounds (Granite Flat CG, Timpooneke CG, Little Mill CG, Mount Timpanogos CG, and Altamont CG) will not be required to pay the standard-amenity fee. The standard-amenity fee would only apply to visitors leaving the campgrounds and utilizing the American Fork Canyon Fee Area or stand-alone sites identified on the back of this page.

Stand-Alone Sites

Cascade Springs, Silver Lake Flat, and Upper Falls Picnic Site (Provo Canyon) will be managed as "stand-alone" fee sites. Fees for these sites may be paid at the two information stations, or at self-service fee stations.

For more information please visit our website at www.fs.usda.gov/uwcnf or contact us at the Pleasant Grove Ranger District (801) 785-3563.

Your Fees at Work

Did you know that 95% of your fee dollars go directly back into the maintenance and improvement of American Fork Canyon Recreation Area?

Some of the recent and upcoming projects your fees have helped fund are:

- Repaving and expanding the Timpooneke Trailhead parking lot.
- Replacing the bridge to the Theater in the Pines Amphitheater.
- Repaving and widening the Cascade Springs trail for universal access.
- Completing an extensive re-route of the South Fork of Little Deer Creek Trail (#252)
- Complete rehabilitation of the Upper Falls Picnic area in Provo Canyon (2013-2014)

Thank you for your continued support!
