## PURPOSE AND CONTENTS OF THIS MAP

The designations shown on this motor vehicle use map are effective as of the date on the front cover and will remain in effect until superseded by the next year's motor vehicle use map. It is the responsibility of the user to acquire the current MUM. This map shows the National Forest System roads, National Forest System trails, and the areas on National Forest System lands in the Routt National Forest that are designated for motor vehicle use pursuant to 36 Code of Federal Regulations (CFR) 212.51. This map also contains a list of those designated roads, trails, and areas; the types of vehicles that are allowed on each route and in each area; and any seasonal restrictions that apply on those routes and in those areas.

Designation of a road, trail, or area for motor vehicle use by a particular class of vehicle under 36 CFR 212.51 should not be interpreted as encouraging or inviting use or implying that the road, trail or area is passable, actively maintained, or safe for travel. Motor vehicle designations include parking along designated routes and at facilities associated with designated routes when it is safe to do so and when not causing damage to National Forest System resources. Seasonal weather conditions and natural events may render designated routes and trails impassable for extended periods. Designated areas may contain dangerous or impassable terrain. Many designated roads and trails may be passable only by high-clearance vehicles or four-wheel-drive vehicles. Maintenance of designated roads and trails will depend on available resources, and many may receive little maintenance.

This motor vehicle use map identifies those roads, trails, and areas designated for the motor vehicle use under 36 CFR 212.51 for the purpose of enforcing the prohibition at 36 CFR 261.13. This is a limited purpose. The other public roads are shown for information and navigation purposes only and are not subject to designation under the Forest Service travel management regulation.

These designations apply only to National Forest System roads, National Forest System trails, and areas on National Forest System lands.

## EXPLANATION OF LEGEND ITEMS

**Roads Open to Highway Legal Vehicles Only:**  
These roads are open only to motor vehicles licensed under State law for general operation on all public roads within the state.

**Roads Open to All Vehicles:**  
These roads are open to all motor vehicles, including smaller off-highway vehicles that may not be licensed for highway use (but not to oversized or overweight vehicles under State traffic law).

**Trails Open to Vehicles 50 inches or Less in Width:**  
Trails open only to motor vehicles less than 50 inches in width at the widest point on the vehicle.

**Trails Open to Motorcycles Only:**  
These trails are open only to motorcycles. Sidecars are not permitted.

**Seasonal Designation:**  
This symbol, used in conjunction with one of the other road or trail symbols, indicates that the road or trail is open only during certain portions of the year. Refer to Seasonal and Special Designation Table for further instructions.

**Other Public Roads and Trails:**  
Highways, U.S. State  
Other Public Roads  
These symbols are used to show routes the Forest Service does not have jurisdiction over and has not designated for motorized use. These symbols are part of the reference layers showing connections to towns and cities outside the forest boundary.

**Milepost Marker:**  
This symbol is used to display the beginning and ending mileposts of a road that has a change in the designation but not the symbology.

**Motorized Trail Access:**  
This symbol indicates a trailhead for access to a motorized road. Not all motorized routes have trailheads and those that do may range from primitive to developed.

**Dispersed Camping/Game Retrieval:**  
This symbol is used along with a designated road or trail to indicate limited cross-country motor vehicle use within a specific distance of that route, solely for the purpose of dispersed camping and/or game retrieval. The dots indicate where this activity is permitted. They may be on the left, right, or both sides of the route. Refer to the Dispersed Camping/Game Retrieval Table for specifics.

**Other Public Roads and Trails:**  
Highways, U.S. State  
Other Public Roads  
These symbols are used to show routes the Forest Service does not have jurisdiction over and has not designated for motorized use. These symbols are part of the reference layers showing connections to towns and cities outside the forest boundary.

**Milepost Marker:**  
This symbol is used to display the beginning and ending mileposts of a road that has a change in the designation but not the symbology.

**Motorized Trail Access:**  
This symbol indicates a trailhead for access to a motorized road. Not all motorized routes have trailheads and those that do may range from primitive to developed.
