South Sherman Road Temporarily Closed

Colville, WA – The South Sherman Road (FSR 2020000) has suffered an impassible washout on the west or upper end of the road. The temporary closure will be from milepost 11.65 to milepost 11.85 (just off of HWY 20 near the top).

Access to Barnaby Buttes Trailhead and the South Fork of Sherman Creek is still possible from the lower access point on HWY20. Forest crews are anticipating being able to repair the washout this summer. Forest officials would like to remind visitors to drive carefully and anticipate construction equipment and crews in the area.

For more information contact the Three Rivers Ranger District at (509) 738-7700.
