The Erickson Springs Campground is at an elevation of 6,800 feet and is in operation from Memorial Day weekend through Labor Day weekend. The maximum stay limit is 16 days.

The campground has 18 camping sites, 16 have tent pads with a spur length of 35 feet. There is a maximum of 8 people and two cars per site. Camping fees are \$14.00 per night with an extra \$6.00 charge for each additional vehicle. The sites are non reservable and operate on a first come first serve basis. Each site has a picnic table and fire ring/grill. Potable water is available as well as a vault toilets and garbage cans.

The Dark Canyon Trail Head and ATV parking are near by with hiking trails, riding trails, horse facilities and day use. There is a \$14.00 fee for over night camping in the Trail Head, but not a fee to just park and use the trails. ATV use is not allowed in the campground.

Fire Safety:

Check in with your local Forest Service office to see if fire bans are in effect.

Stream Safety:

DO NOT drink water directly from a river or stream. Water needs to be treated first by either filtering, boiling for at least 10 minutes or treating with iodine tablets.

Multiple use:

As you use this area you may notice that the Forest is managed for a broad range of uses. Recreation use alone includes hiking, horseback riding, hunting, snowmobiling and sightseeing. In addition, the vegetation in the Forest requires some form of management. Timber harvest and livestock grazing are both forms of land management you may encounter while using this area. The livestock grazing on this area is managed in a very progressive and specific manner. The fences and gates that you may see are critical to managing the livestock and meeting the resource objectives that are planned for this area. Please close all gates that you open as you travel through the area. Controlling the livestock in the manner that we have planned is important.

Please don't litter!
