**Ouachita and Ozark St. Francis National Forests  
Offer Free Fishing Derbies for Kids**

**HOT SPRINGS, Ark---** Children will soon be out of school for the summer and many families are looking for ways to have fun in the sun together. The Ouachita and Ozark-St. Francis National Forests are co-sponsoring several fishing derbies on Ranger Districts across Arkansas and Oklahoma.

“We work closely with the Arkansas Game and Fish Commission and the Oklahoma Department of Wildlife Conservation to ensure all the derby sites are well-stocked with catfish or trout for the event,” said Richard Standage, Ouachita National Forest Fisheries Biologist.

“The derbies are free to the public,” said Keith Whalen, Ozark-St. Francis National Forests Fisheries Biologist. “Each child must be registered before casting a line. The registration consists of name, age, address, phone number, and the signature of a parent or guardian.” Anyone interested can contact their local district office, or sign up during registration time the day of the derby.

Although some artificial catfish and trout bait will be available, participants are encouraged to bring their favorite bait. Each angler must have his or her own fishing pole and tackle. Children must have a parent or guardian with them during the event.

Following is a list of site specific information for each event.

(more)

Ozark-St. Francis National Forests

Sylamore Ranger District, Mountain View, Arkansas

Location: Mirror Lake, Blanchard Springs Recreation Area
