Please notify Molly Ryan ( [mollymryan@fs.fed.us](mailto:mollymryan@fs.fed.us) or 435-781-5282) if you plan on attending part or all of the tour of the 32 concession sites so that we can plan details. The Flaming Gorge Ranger District will provide transportation from Manila, Utah, for all or any tour dates with notice. We hope to have a complete site discussion with all interested bidders at each site.

Please bring: Clothing layers for hot or very cool/wet weather at varied elevations  
Sun & rain hat, sunscreen, insect repellent, drinking water, lunch, snacks  
Plan on seeing most of each site on foot, (good shoes, boots, mobility device)

Note: Site numbers below are the same as those on maps in Appendix 1 and 2, and in Appendix 3 and Prospectus tables. The schedule is tight, and adjustments to it and/or long days may be needed to sufficiently look at the facilities.
