

NATIONAL FOREST TIMBER
INTEGRATED RESOURCE TIMBER CONTRACT - STEWARDSHIP
WILLAMETTE NATIONAL FOREST

The Mongold Stewardship Integrated Resource Timber Contract is located within Sections 9, 10, 15 and 16 T.10S, R.5E.; Surveyed, Willamette Meridian, Marion County, Oregon. The Forest Service will receive technical and price proposals (no public opening) at the Forest Supervisor's Office, 3106 Pierce Parkway Suite D, Springfield, Oregon, by at 10:00 AM, local time on August 13, 2013 for an estimated 5,650 Tons of Douglas-fir and Other Coniferous Species, except Pacific yew, designated for cutting. In addition, the contract area contains an unestimated volume of Douglas-fir green biomass that the bidder may agree to remove at a fixed rate. Also included in the contract are four (4) mandatory restorative service projects to be completed by the Contractor. Bidders qualifying as small business concerns under the Small Business Act may, when submitting a bid, elect for the Forest Service to build permanent roads. Additional information concerning this option is in the prospectus. The contract will be awarded based on a Best Value determination. One award will be made to the Bidder (a) whose proposal is technically acceptable and (b) whose technical/price relationship is the most advantageous to the Government. The Forest Service reserves the right to reject any and all proposals. Complete information concerning the timber, the restoration service projects, the conditions of contract, and submission of bids is available to the public from the Detroit Ranger District, 44125 N. Santiam Hwy, SE, Detroit, Oregon 97342. Interested parties may obtain a prospectus from the Detroit Ranger District office or from the Willamette National Forest Web Site at "<http://www.fs.fed.us/r6/willamette/manage/timber/index.html>".
