

**Where to meet:**        **Big Bar Ranger Station**  
                              **State Highway 299**  
                              **25 miles west of Weaverville, California**

**When to meet:**        **Saturday, September 14<sup>th</sup>, 2013 at 9:00 A.M. Rain or Shine**

The Trinity River Management Unit of the Shasta-Trinity National Forest will be hosting the annual clean-up of the Trinity River and State Highway 299.

Are you interested in volunteering with our clean-up effort? If so, we need and welcome you!!

The cleanup will include activities such as floating the river in rafts, canoes, and kayaks as well as walking along the highway, beaches, river bars to pick up trash and debris. Walking on rocky, uneven surfaces and some lifting of heavy objects may be involved. However, you can select a level of activity to suit your individual needs and preferences.

The U.S. Forest Service and other sponsors will be joining to make your day a fun and rewarding one. Safety instruction and equipment will be provided.

In appreciation of your volunteer efforts, a free barbeque and raffle will be provided at Skunk Point campground near the community of Big Flat on Highway 299 at 3:00 P.M. after the cleanup.

For more information and pre-registration forms please contact Cindy or Esteban at the Weaverville Ranger Station at (530) 623-2121.
