

The Shasta-Trinity National Forest is soliciting competitive offers for the Browns Stewardship project. The Browns Phase 2 Stew Reoffer contract is located within T.34.N., R.9.W., M.D.B.&M. Sealed – “Best Value” offers will be received at the Forest Supervisor's Office at 10:00 AM local time on August 29, 2013, for an estimated 1840 CCF (941 MBF) of sawtimber designated for cutting on approximately 134.7 acres and 1 stewardship project. The Stewardship project consists of limbing tops of trees, sorting limbs from tops, piling limb slash, and decking tops. All work will be accomplished at landing locations within harvest units. The Forest Service will evaluate competitive offers submitted by offerors who present a price offer and technical proposal according to the information found under the section in the offer titled “Instructions to Offerors.” Evaluation factors for this project are organizational experience, organizational past performance, local community economic enhancement (including small business enhancement), understanding the Government’s requirements, and price. One award will be made to the offeror whose proposal is technically acceptable and whose technical/price relationship is the “best value” to the Government. The Forest Service reserves the right to reject any and all offers. A prospectus is available to the public and interested offerors from the offices listed below. Information concerning the timber and stewardship projects specific to this project, and submission of offers is available to the public from the Shasta-Trinity National Forest, Headquarters Office, 3644 Avtech Parkway, Redding, CA 96002 or the Weaverville Ranger District Office, P.O Box 1190, Weaverville, California 96093. Information can also be obtained from the Shasta-Trinity website at www.fs.usda.gov/stnf.
