This document does not serve any legal capacity regarding motor vehicle access. Please refer to a Motor Vehicle Use Map for rules regarding legal motorized travel within the Bessey District of the Nebraska National Forest. A free copy of the Motor Vehicle Use Map may be obtained at Bessey Ranger District, 40637 River Loop, Halsey, NE 69142.

This map identifies pastures which were grazed early in the summer and have had at least 60 days to produce additional vegetative growth. Areas identified should have sufficient hiding cover for prairie grouse. This map does not guarantee success in any one area, as grouse movement and needs change throughout the season. If you have questions about a specific area, please contact the Bessey Ranger District Office at 308-533-2257.
