## Notice of Filing of Plat of Survey

MARCH 12, 1962.

1. Plat of survey of the lands described below will be officially filed in the Land Office, Riverside, California, effective at 10:00 a.m., March 20, 1962.

MOUNT DIABLO MERIDIAN

T. 23 S., R. 43 E.,  
Secs. 29 and 30.

The area described aggregates 1372.68 acres.

### 2. Land use characteristics:

The topography of the area is extremely rough and mountainous, except for the eastern edge of sec. 29. It is cut by numerous washes which are a part of the drainage of the Argus Mountain range to the west. Vegetation is sparse, consisting of creosote bush and annual grasses.

3. The public lands affected by this order are hereby restored to the operation of the public land laws, subject to any valid existing rights, the provisions of existing withdrawals, and the requirements of applicable laws, rules, and regulations.

4. Persons claiming preference rights based upon valid settlement, statutory preference, or equitable claims must enclose properly corroborated statements in support of their application, setting forth all facts relevant to their claims.

5. Inquiries concerning these lands should be addressed to the Manager, Bureau of Land Management, 1414 Eighth Street, Riverside, Calif.

ROLLA E. CHANDLER,  
Manager.

## Notice of Proposed Withdrawal and Reservation of Lands

MARCH 13, 1962.

The Assistant Secretary, Department of Agriculture, has filed an application, Serial No. Oregon 012008, for the withdrawal of the lands described below, subject to valid existing rights, from location and entry under the general mining laws.

The applicant desires the land in order to protect the Government's investment in the present and planned improvements in certain areas of the Malheur and Whitman National Forests in Oregon. Studies have been made by the Forest Service of twelve campgrounds,

one recreation area, and eight administrative sites on the Malheur National Forest, and one administrative site on the Whitman National Forest for the further development of recreation areas, lookout sites for fire detection and suppression work, and an air strip which is needed for the continued management and protection of national forest land.

For a period of thirty days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal may present their views in writing to the undersigned officer of the Bureau of Land Management, Department of the Interior, 710 Northeast Holladay, Portland 12, Oregon.

If circumstances warrant it, a public hearing will be held at a convenient time and place which will be announced.

The determination of the Secretary of the Interior on the application will be published in the FEDERAL REGISTER. A separate notice will be sent to each interested party of record.

The lands involved in the application are:
