---

**The Trailhead:** From the junction of the Johns Valley road, (No. 22) and state hwy12. Go north on Johns Valley road to BLM Road, No.1660, (south of Antimony approximately 10 miles) travel west on BLM Road, No. 1660, it will turn into No. 30128 for approximately 5 miles to the trailhead located at the end of the road.

**The Trail:** This trail follows the Deer Creek drainage, which is a perennial stream. Beaver dams create pools of water in the creek bottom. The trail is a gradual slope with rocky tread going thru sagebrush, oak brush, and aspen. The trail can be used to access the Mt. Dutton Trail.
