Forest Service To Host Web Conference Tomorrow

FLAGSTAFF, Ariz. – The Forest Service will host a web conference tomorrow at 1 p.m. to announce the decision on the proposal to transfer the phase 1 stewardship contract for the Four Forest Restoration Initiative. The Four Forest Restoration Initiative (4FRI) is a 20-year plan to restore 2.4 million acres of ponderosa pine forest in northern Arizona.

The web conference is scheduled to begin at 1:00 PM AZ time on September 13, 2013. You may join the web conference 10 minutes prior to the scheduled start by going to the link below. You may have to download the webinar software which will take only a few minutes.

Webinar Login: <http://emsp.intellor.com/login/413295>

After you've connected your computer, audio connection instructions will be presented for you to call in.

If you need technical support or additional information, please visit the AT&T portal at

<http://emsp.intellor.com/portal/forests-service2events>

or contact AT&T Connect Support at 1-888-796-6118

If you are only able to join the web conference via phone, you may dial in at:

1-888-621-9649

When prompted, enter the following ID: 413295#

Media representatives are encouraged to attend. Brief, introductory statements will be provided by the speakers followed by a question and answer session.

For additional information, please contact Katherine Sánchez Meador, 928-527-3591.
