Prescribed Fire near Tusayan Planned for Friday

TUSAYAN, AZ – Due to favorable conditions, fire managers are planning to implement prescribed fire on Friday in the Flying J project area 3 miles southwest of Tusayan, AZ. All prescribed fire activity is dependent on personnel availability, weather – including winds and ventilation, and approval from the ADEQ (www.azdeq.gov). Smoke is predicted to disperse to the northwest with limited impacts to the town of Tusayan. A smoke column may still be visible along Highway 64 near Tusayan.
