

Note to Prospective North Park Purchasers

The North Park Timber Sale is expected to be offered near April, 2014. The attached Volume Summary and Map are ***Draft*** at this time. The expected bid date will be May, 2014.

On the North Park Timber Sale, there are multiple types of leave and or cut designations. These are identified on the North Park Marking Designation table.

There are within the sale both tractor units and skyline units. See the volume summary for logging systems.
