## Nantahala and Pisgah National Forests Plan Revision

### \*\*\*Need-for-Change Open Houses Scheduled\*\*\*

To make up for the cancelled October 5<sup>th</sup> Workshop, a series of Drop-in Open Houses are scheduled at six locations, from 4 PM to 7 PM:

**November 18, 2013** – McDowell Technical Community College in Marion, NC  
– William Harold Smith Building (#19); Room 113

**November 19, 2013** – Transylvania County Library in Brevard, NC

**December 3, 2013** – **TWO LOCATIONS**

Tri-County Community College in Murphy, NC – Enlowe Multi-Purpose Rm.  
Appalachian District Office in Mars Hill, NC

**December 5, 2013** – Graham County Community Center in Robbinsville, NC

**December 17, 2013** – Nantahala District Office in Franklin, NC

At the Open Houses, attendees will have the opportunity to submit written ideas for how the 1987 Plan needs to be changed. U.S. Forest Service specialists will be on hand to assist, answer questions and listen to concerns. Sample “Need-for-Change” statements were sent to the Plan Revision Mailing List in September. Sample statements can also be found at: <http://www.fs.usda.gov/goto/nfsnc/nprevision>. For a paper copy call Heather Luczak at 828-257-4817. The sample also explains how you can share ideas with us via U.S. Mail if you are not able to attend an in-person meeting.

**Members of the public are invited to drop in at ANY TIME between 4 PM and 7 PM. There will be no formal presentations so you need not arrive at 4 PM, nor do you need to plan on staying for the entire time. Also, there is no need to attend more than one Open House, as they will all repeat the same format.**

Members of the U.S. Forest Service Plan Revision Team will pull together all the ideas submitted into an organized and summarized set of statements about the need for change. All ideas will be tracked, so you will know what happens to your ideas, and the Forest Service will post the results on the Plan Revision website in the next few months. We look forward to seeing you at one of the open houses. Thank you in advance for your participation.
