## Firewood Strategy Public Meeting

**Yreka, CA.** –The Goosenest Ranger District of the Klamath National Forest is conducting a series of firewood cutting strategy meetings that are open to the public. The next meeting is scheduled to take place at 5:00 P.M. on Friday January 31, 2014. The meeting will be at the Goosenest Ranger Station, 37805 HWY 97, Macdoel, California. Interested members of the public are invited to attend and make comment on improving firewood cutting access and strategy on the National Forest.

As a result of past firewood strategy meetings, the Goosenest Ranger District has opened new firewood cutting areas. Two newly planned firewood cutting areas will be discussed at this meeting, one located near county Highway A-12 and another near the community of Tennant.

Permits and maps for firewood cutting are available at the Klamath National Forest Supervisor's office in Yreka, or at any Ranger District Office on the Klamath National Forest.
