HOW TO APPLY:

1. Go to www.USAJobs.gov

2. Login using your current USAJobs login information or if you are a first time user you will have to create a profile.

3. Click on: RESUME. Enter your information to build a resume or upload your own.

4. After your resume is ready , you can apply for jobs. Find jobs by searching for any of the following parameters:

a. Exact Announcement number b. Specific pay grade range c. Series specification - 0462 d. Job title: (i.e. Fire)

5. Select Position you wish to apply for:

Example: Forestry Aid (Fire) Forestry Tech (Engine)

6. You can save jobs you have found in your search—up to 25.

7. Announcement number must be EXACT and choose the correct duty station—or you have NOT applied to the correct job and will not show up on the applicant list.

8. Follow the steps to complete the online application, being sure to read each question carefully, answering completely and attaching all supporting documentation.

9. Submit your application and check back from the home page under “Application Status”.

*** USA Jobs REMINDERS * *DO NOT alter your application after the deadline ***

* Print and save all login usernames and passwords for your future use * Saving your information does not mean you have applied for a job - only that you have a pro-file and have entered application information. MAKE SURE you click on the apply button to submit your application * Enter or update all required questions and re-sume information

* Make sure to apply for ALL GS levels you may qualify for, even if it's a lower GS than you would like to ensure you certify on the hiring list.

* Each position or grade level you are applying for requires a separate application - one application for the same position at different locations *
