Comments Debe

Use Type: **Commercial Pack Sta**

Outfitter Name: **High Sierra Pack Stat**

Travel Method: **16 - Spot trip w/ pac**

Entire party must start on the entry date and entry trail listed above.

Group leader must have this permit in possession during stay in wilderness areas.

Proper food storage required to protect wild bears.

Method of food storage being used by party:

_____ Bear canister/pannier

_____ Counter-balance hanging (know how to use this technique BEFORE starting your trip).

Other methods of hanging food are not effective food storage techniques in Sierra Nevada wilderness areas and are prohibited.

Pack it in, pack it out. Keep Wilderness Wild!

Waste Disposal - 200 feet (50 meters; 100 steps) from water sources, camps and trails.

_____ Human waste ("cathole" 6" to 8" deep).

_____ Dish and bathing water ("Gray water")

Elevational fire closure.

Site specific fire closures (see reverse side).

Camp at least 200 feet (50 meters; 100 steps) away from water sources.

Camp at least 200 feet (50 meters; 100 steps) from any trail.

Review additional Sierra NF wilderness regulations (see reverse for list of regulations).

Review National Park and Inyo NF wilderness regulations (if entering adjacent park or forest).

Seasonal grazing restrictions.

I understand the wilderness regulations and agree to abide by these and see that everyone in my group does likewise.

Use Type: **Commercial Pack Sta**

Outfitter Name: **High Sierra Pack Stat**

Travel Method: **16 - Spot trip w/ pac**

Entire party must start on the entry date and entry trail listed above.

Group leader must have this permit in possession during stay in wilderness areas.

Proper food storage required to protect wild bears.

Method of food storage being used by party:

_____ Bear canister/pannier

_____ Counter-balance hanging (know how to use this technique BEFORE starting your trip).

Other methods of hanging food are not effective food storage techniques in Sierra Nevada wilderness areas and are prohibited.

Pack it in, pack it out. Keep Wilderness Wild!

Waste Disposal - 200 feet (60 meters; 100 steps) from water sources, camps and trails.

_____ Human waste ("cathole" 6" to 8" deep).

_____ Dish and bathing water ("Gray water")

Elevational fire closure.

Site specific fire closures (see reverse side).

Camp at least 100 feet (30 meters; 50 steps) away from water sources.

Camp at least 100 feet (30 meters; 50 steps) from any trail.

Review additional Sierra NF wilderness regulations (see reverse for list of regulations).

Review National Park and Inyo NF wilderness regulations (if entering adjacent park or forest).

Seasonal grazing restrictions.

No Fires

I understand the wilderness regulations and agree to abide by these and see that everyone in my group does likewise.
