Scale: 1 inch = 10 miles

The information displayed on this map has been created or modified using data from a wide variety of scales, accuracy, and sources. The resulting shapes or acreages may not necessarily match the shapes or acreages as determined by other methods. Acreages and shapes shown on this map have been rounded for display purposes and may not match the actual acreages and shapes created in the analysis process.

C&H = Cattle and Horse, S&G = Sheep and Goat
