The screenshot displays the USDA Vendor Management interface. The left sidebar shows navigation options: Home, Opportunities, Awards, Messages (0), and Profile. The main content area shows the profile for 'Olivia's Dozers' with tabs for SUMMARY, USERS, OPPORTUNITIES, and RESOURCES. The SUMMARY tab is active, showing profile details and business information. The Business Information section includes fields for 'Doing Business As' (Olivia's Dozers DBA), 'Business Type' (Labor Surplus Area Firm (A3)), and 'PSC Codes'. A green arrow points from the edit icon (pencil in a square) in the Business Information section to the 'Update Business Information' modal. The modal is open, showing the same fields. The 'Business Type' dropdown is highlighted with a yellow box, showing the selected option 'Labor Surplus Area Firm, Service-Disabled Veteran-Owned Small Business'. The modal also includes sections for 'PSC Codes' and 'NAICS Codes', both currently empty. At the bottom of the modal, there are 'CANCEL' and 'UPDATE' buttons, with the 'UPDATE' button highlighted by a yellow box.
