

## Appendix B: Relevant FEIS species reviews

FEIS contains the following reviews of native and nonnative plant species that occur in Hawai'i.

| Scientific Name                                   | Common Name           |
|---------------------------------------------------|-----------------------|
| <b>Bryophytes</b>                                 |                       |
| <a href="#"><i>Ceratodon purpureus</i></a>        | fire moss             |
| <a href="#"><i>Tortula ruralis</i></a>            | twisted moss          |
| <b>Ferns</b>                                      |                       |
| <a href="#"><i>Asplenium adiantum-nigrum</i></a>  | black spleenwort fern |
| <a href="#"><i>Pteridium aquilinum</i></a>        | western bracken fern  |
| <a href="#"><i>Thelypteris noveboracensis</i></a> | New York fern         |
| <b>Forbs</b>                                      |                       |
| <a href="#"><i>Achillea millefolium</i></a>       | western yarrow        |
| <a href="#"><i>Centaurea maculosa</i></a>         | spotted knapweed      |
| <a href="#"><i>Cirsium vulgare</i></a>            | bull thistle          |
| <a href="#"><i>Coronilla varia</i></a>            | crownvetch            |
| <a href="#"><i>Descurainia sophia</i></a>         | flixweed tansymustard |
| <a href="#"><i>Erodium cicutarium</i></a>         | cutleaf filaree       |
| <a href="#"><i>Fragaria vesca</i></a>             | woodland strawberry   |
| <a href="#"><i>Hypericum perforatum</i></a>       | common St Johnswort   |
| <a href="#"><i>Lespedeza cuneata</i></a>          | sericea lespedeza     |
| <a href="#"><i>Medicago sativa</i></a>            | alfalfa               |
| <a href="#"><i>Melilotus alba</i></a>             | white sweetclover     |
| <a href="#"><i>Melilotus officinalis</i></a>      | yellow sweetclover    |
| <a href="#"><i>Polygonum aviculare</i></a>        | prostrate knotweed    |
| <a href="#"><i>Rumex acetosella</i></a>           | sheep sorrel          |
| <a href="#"><i>Salsola kali</i></a>               | Russian-thistle       |
| <a href="#"><i>Sisymbrium altissimum</i></a>      | tumble mustard        |
| <a href="#"><i>Tanacetum vulgare</i></a>          | common tansy          |
| <a href="#"><i>Taraxacum officinale</i></a>       | common dandelion      |
| <a href="#"><i>Trifolium repens</i></a>           | white clover          |
| <a href="#"><i>Verbascum thapsus</i></a>          | common mullein        |
| <a href="#"><i>Xanthium strumarium</i></a>        | common cocklebur      |
| <b>Graminoids</b>                                 |                       |
| <a href="#"><i>Andropogon virginicus</i></a>      | broomsedge bluestem   |
| <a href="#"><i>Arundo donax</i></a>               | giant reed            |
| <a href="#"><i>Bothriochloa barbinodis</i></a>    | cane bluestem         |
| <a href="#"><i>Bouteloua curtipendula</i></a>     | sideoats grama        |
| <a href="#"><i>Bromus madritensis</i></a>         | foxtail chess         |
| <a href="#"><i>Bromus rubens</i></a>              | red brome             |
| <a href="#"><i>Bromus tectorum</i></a>            | cheatgrass            |
| <a href="#"><i>Cladium jamaicense</i></a>         | sawgrass              |
| <a href="#"><i>Cynodon dactylon</i></a>           | Bermuda grass         |
| <a href="#"><i>Dactylis glomerata</i></a>         | orchardgrass          |
| <a href="#"><i>Dichanthelium acuminatum</i></a>   | woolly panicum        |
| <a href="#"><i>Distichlis spicata</i></a>         | saltgrass             |

|                                                       |                        |
|-------------------------------------------------------|------------------------|
| <a href="#"><i>Echinochloa crus-galli</i></a>         | barnyard grass         |
| <a href="#"><i>Eleocharis palustris</i></a>           | common spikerush       |
| <a href="#"><i>Eragrostis curvula</i></a>             | weeping lovegrass      |
| <a href="#"><i>Festuca rubra</i></a>                  | red fescue             |
| <a href="#"><i>Holcus lanatus</i></a>                 | common velvet grass    |
| <a href="#"><i>Lolium multiflorum</i></a>             | Italian ryegrass       |
| <a href="#"><i>Lolium perenne</i></a>                 | perennial ryegrass     |
| <a href="#"><i>Melinis minutiflora</i></a>            | molasses grass         |
| <a href="#"><i>Panicum repens</i></a>                 | torpedograss           |
| <a href="#"><i>Panicum virgatum</i></a>               | switchgrass            |
| <a href="#"><i>Paspalum distichum</i></a>             | knotgrass              |
| <a href="#"><i>Pennisetum ciliare</i></a>             | buffelgrass            |
| <a href="#"><i>Phleum pratense</i></a>                | timothy                |
| <a href="#"><i>Phragmites australis</i></a>           | common reed            |
| <a href="#"><i>Poa compressa</i></a>                  | Canada bluegrass       |
| <a href="#"><i>Poa pratensis</i></a>                  | Kentucky bluegrass     |
| <a href="#"><i>Schedonorus arundinaceus</i></a>       | tall fescue            |
| <a href="#"><i>Schizachyrium scoparium</i></a>        | little bluestem        |
| <a href="#"><i>Schoenoplectus tabernaemontani</i></a> | soft-stem bulrush      |
| <a href="#"><i>Sorghum halepense</i></a>              | Johnson grass          |
| <a href="#"><i>Typha latifolia</i></a>                | broadleaf cattail      |
| <a href="#"><i>Urochloa mutica</i></a>                | para grass             |
| <a href="#"><i>Vulpia myuros</i></a>                  | rattail sixweeks grass |
| <b>Shrubs</b>                                         |                        |
| <a href="#"><i>Atriplex lentiformis</i></a>           | big saltbrush          |
| <a href="#"><i>Cytisus scoparius</i></a>              | Scotch broom           |
| <a href="#"><i>Encelia farinosa</i></a>               | brittle bush           |
| <a href="#"><i>Francula californica</i></a>           | California coffeeberry |
| <a href="#"><i>Heteromeles arbutifolia</i></a>        | toyon                  |
| <a href="#"><i>Myrica cerifera</i></a>                | wax-myrtle             |
| <a href="#"><i>Spartium junceum</i></a>               | Spanish broom          |
| <a href="#"><i>Ulex europaeus</i></a>                 | gorse                  |
| <b>Trees</b>                                          |                        |
| <a href="#"><i>Ailanthus altissima</i></a>            | tree-of-heaven         |
| <a href="#"><i>Casuarina equisetifolia</i></a>        | Australian pine        |
| <a href="#"><i>Casuarina glauca</i></a>               | gray sheoak            |
| <a href="#"><i>Elaeagnus umbellata</i></a>            | autumn-olive           |
| <a href="#"><i>Eucalyptus globulus</i></a>            | bluegum eucalyptus     |
| <a href="#"><i>Fraxinus americana</i></a>             | white ash              |
| <a href="#"><i>Melaleuca quinquenervia</i></a>        | melaleuca              |
| <a href="#"><i>Melia azedarach</i></a>                | chinaberry             |
| <a href="#"><i>Morus alba</i></a>                     | white mulberry         |
| <a href="#"><i>Schefflera actinophylla</i></a>        | octopus tree           |
| <a href="#"><i>Schinus terebinthifolius</i></a>       | Brazilian pepper       |
| <b>Vines and lianas</b>                               |                        |
| <a href="#"><i>Convolvulus arvensis</i></a>           | field bindweed         |
| <a href="#"><i>Dioscorea bulbifera</i></a>            | air yam                |

|                                                     |                      |
|-----------------------------------------------------|----------------------|
| <a href="#"><i>Dioscorea pentaphylla</i></a>        | fiveleaf yam         |
| <a href="#"><i>Hedera helix</i></a>                 | English ivy          |
| <a href="#"><i>Lonicera japonica</i></a>            | Japanese honeysuckle |
| <a href="#"><i>Paederia foetida</i></a>             | skunkvine            |
| <a href="#"><i>Pueraria montana var. lobata</i></a> | kudzu                |
| <a href="#"><i>Wisteria sinensis</i></a>            | Chinese wisteria     |
