This map was produced on the ArcGIS 9.2 platform by the USDA-Forest Service, Salmon - Challis National Forest. The Forest Service uses the most current and complete data available. GIS data and product accuracy may vary, data may be developed from sources of differing map accuracy, accurate only at certain scales, based on modeling or interpretation, incomplete while being revised, etc. Using GIS products for purposes other than those intended for which they were created may yield inaccurate or misleading results. This data was released on July 31, 2009.
