

Sawtooth National Recreation Area

Last Updated: 9/20/2024

Before your trip: please check fire restrictions, group size limits, dog rules, and Wilderness regulations. Ebikes are allowed on motorized trails only. Check weather on weather.gov and be prepared for changing conditions. Store your food in a bear safe manner. Cell service is very limited in the area. Pack out all toilet paper and other trash. It is your responsibility to know and understand rules before recreating on the SNRA. More detailed trail information can be found at our partner's website: www.discoversawtooth.org/trails.

General Update: The Bench Lake Fire and Wapiti Fire have closures on the Sawtooth National Recreation area. The Wapiti fire continues to grow and has caused further closure areas on the SNRA. Updates can be found at <https://inciweb.wildfire.gov/>. The Sawtooth National Forest is now in Level 1 fire restrictions. No campfires or grills outside of developed recreation areas. Fires are ONLY allowed in FS provided metal fire rings in campgrounds listed in Exhibit A: https://www.fs.usda.gov/Internet/FSE_DOCUMENTS/fseprd1059189.pdf

Trail #	Trail Segment/Name	Difficulty	Distance	Wilderness Area	Primary Use	Description/Regulations	Last Maintained	Conditions, Hazards, Notes (Date)
