

Siuslaw Resource Advisory Committee 2024
Title II Project Proposals
Jun. 5, 2024
In-person and Virtual TEAMS Meeting

Meeting Overview

The Siuslaw National Forest Resource Advisory Committee (RAC) hosted a meeting on June 5, 2024 to vote on the use of county Title II funding for project proposals related to land management including road maintenance, habitat restoration, and trail maintenance. The meeting was held in-person and virtually through a Microsoft TEAMS platform from 9:00 a.m. to 2:47 p.m. The meeting was attended by RAC members, scheduled presenters, and Siuslaw National Forest employees. The meeting was open to the public.

The Siuslaw National Forest received 28 project proposals with a total request for \$1,558,531 (or \$1,683,214 including the 8% overhead). Three projects were withdrawn before the meeting. Today, the RAC voted to fund 21 projects and allocate \$991,109 (or \$1,070,392 including the 8% overhead) of the available \$1,166,027.

Forest Service Attendees

Becca Brooke (Designated Federal Officer), Joanie Schmidgall (RAC Coordinator), Michele Holman (District Ranger), Shawn Rivera (District Ranger), Drew Maher (Public Services Staff Officer), Eric Andersen (Partnership Coordinator), Alexa Valladolid (Public Affairs Specialist), Caleb Robitaille (Business Operations Program Specialist), Maryruth Jackson (Special Uses Assistant), Dave Butler (Administrative Officer), Trevor Robinson (Recreation Program Manager), Rob Sanders (Transportation Program Manager), Colleen Malaney (R6 SRS/FACA Coordinator), Eileen Kitayama (Willamette Partnership Coordinator), Colleen Urban (Mt. Hood Partnership Coordinator), Traci Merritt (Hebo Recreation and Lands Program Manager)

Resource Advisory Council Member Attendees

Category	Name	Attendance	Attendance Arrival	Attendance Departure
A	Willie Davis Jr.	Virtual	9:00 a.m.	2:47 p.m.
A	Jody Phillips (Chair)	In-person	9:00 a.m.	2:47 p.m.
A	Nancy Bond Hemming	In-person	9:00 a.m.	2:47 p.m.
A	Joanne Kittel	Virtual	9:00 a.m.	2:47 p.m.
B	Mike Trent	In-person	9:00 a.m.	2:47 p.m.
B	Chris Laity	Virtual	9:00 a.m.	2:47 p.m.
B	J. "Judy" Juntunen	In-person	9:00 a.m.	2:47 p.m.
B	Mary Jo Wevers	In-person	9:00 a.m.	2:47 p.m.
C	Mike Webb	In-person	9:00 a.m.	2:47 p.m.
C	Ryan Parker	In-person	9:00 a.m.	2:47 p.m.
C	Mike Kennedy	In-person	9:00 a.m.	2:47 p.m.
C	Dustin Sievers (co-Chair)	In-person	9:00 a.m.	2:47 p.m.
C	Mohammed "Wasi" Khan	Virtual	9:00 a.m.	2:47 p.m.

Welcome

Siuslaw RAC Coordinator Joanie Schmidgall identified herself as the facilitator for the RAC meeting. She provided a technical TEAMS introduction at 9:00 a.m. with the official meeting recording starting at 9:05 a.m. June 5, 2024.

Forest Service participants introduced themselves at 9:06 a.m. Thirteen members of the RAC committee introduced themselves at 9:08 a.m., see attendee list above.

The Designated Federal Officer (DFO) Becca Brooke welcomed the group at 9:21 a.m. and gave a brief overview of the Secure Rural Schools program and processes.

Question: Is there a funding deadline in which the funds must be spent?

Answer: Project funds must be obligated by Sept. 30, 2026—as long as the Secure Rural Schools Program is not reauthorized by Congress. If the program is authorized again by Congress, the deadline is expected to shift to a later date. Obligated in this case means the money has been moved to the partner; it does not need to be spent by that date.

Question: What is the status of congressional reauthorization? Is that something we can lobby for?

Answer: The reauthorization is still held up in the legislative process. As a government agency we cannot lobby, but we can provide facts to Congress.

RAC 2024 Business

Recognition of the Quorum (9:34 a.m.)

A quorum was recognized at 9:34 a.m., 13 members of the RAC committee were in attendance with at least 3 people from each category, see attendance list above.

- Category A: 4 people
- Category B: 4 people
- Category C: 5 people

Selection of RAC chairperson and co-chair (9:38 a.m.)

- Chris Laity motioned to elect Jody Philips as chair; seconded by Mike Kennedy. Motion passed.
- Jody Phillips motioned to elect Dustin Sievers as co-chair; seconded by Mike Trent. Motion passed.

Ratification of Siuslaw RAC bylaws (9:40 a.m.)

- Mary Jo Wevers motioned to accept the bylaws as written; seconded by Mike Kennedy. Motion passed.

Review of Forest Service Ethics Statement (9:42 a.m.)

All RAC members accepted the ethic statements as written. Discussion ensued to reveal any potential ethical concerns.

- Chris Laity will abstain from voting on project 24_TI_006 ‘Tillamook County Public Works Cedar Creek Road Improvement’ due to a conflict of interest.
- Mike Kennedy will abstain from voting on project 24_LI_006 and 24_TI_003 ‘Tillamook Estuaries Partnership Youth Vegetation Restoration’ due to a conflict of interest.
- Mike Trent is abstaining from the vote on 24_TI_004 ‘Nestucca, Neskowin, & Sand Lake Watershed Council Lower Sutton Creek Fish Passage’ due to a conflict of interest.
- Judy Juntunen works with Marys Peak Alliance. This will be acknowledged during the voting process. She does not need to abstain from any vote.

Voting and Decision-making Process Discussion (9:45 a.m.)

A member is to make a motion to vote for a project with a specific dollar amount. That motion is to be seconded and then time for discussion should be given. After discussion, RAC Chair Jody Phillips will call for a vote to determine if three people in each category vote yes to recommend it. Motions can be amended or withdrawn. Members of the RAC do not have to discuss projects in any order. It should be noted when similar projects span multiple counties. This process is based on Robert’s Rules of Order.

Question: For organizations that have requested funds in multiple counties, is each project an independent request?

Answer: Yes. Projects are specific to each county and should be funded individually.

Question: How will project presentations be given?

Answer: Each organization will have one time slot to summarize the effects of their projects and the differences of the projects in each county, if there are any.

- Mike Webb motioned to vote to accept the discussion; seconded by Dustin Sievers. Motion passed.

Acknowledge Overhead Rate for Project Administration (9:48 a.m.)

The Siuslaw RAC has historically operated with a 7% overhead. The overhead percentage varies for other committees in the area, but the value can be up to 10%. Overhead percentage dollars can be used for a variety of costs including Forest Service staff time, RAC member travel costs, refreshments, printing, meeting logistics and fieldtrip costs.

Question: Is 7% a sufficient amount of overhead funding?

Answer: The Siuslaw National Forest will accept any overhead percentage rate the RAC votes on. The agency budget has decreased overtime and inflation has increased.

Question: What overhead percentage do other RACs use?

Answer: Some use 10%, others have reduced funding over the years.

Question: What happens to excess overhead funding?

Answer: Any excess funding can be applied to approved RAC projects.

Question: Does the Siuslaw National Forest have any excess overhead funding?

Answer: Some, but not a lot.

Question: Does the overhead cost include funding for Forest Service staff time and labor?

Answer: We would use overhead funding to support the salaries of the core group of Forest Service staff that help plan and organize the meeting.

Question: What would improve if more overhead funding was given? More outreach?

Answer: We expect an increase in workload for Siuslaw National Forest staff to outreach for new committee members over the next year.

- Mike Webb motioned to set the overhead rate to 9%; motion was not seconded.
- Mike Webb motioned to set the overhead rate to 10%; seconded by Ryan Parker. No vote. Motion withdrawn.

Question: Can the RAC prioritize projects to be funded with excess overhead dollars, if there is excess.

Answer: Yes. Any approved project can receive additional funds.

Question: If there is excess overhead funding, when does that money get redistributed?

Answer: There is not a definitive timeline at the moment. Some of the funds will be used for hours spent on preparation for this meeting. The Siuslaw National Forest can estimate the number of hours spent on RAC business for the next meeting.

Question: Will labor costs increase in the future?

Answer: They may. A 16% overhead rate is the standard for Forest Service staff time on Grants and Agreements for non-RAC business.

- Mike Webb motioned to set the overhead rate to 8%; seconded by Dustin Sievers. Motion passed.

BREAK (10:00-10:25 a.m.)

Presentations (10:30 a.m.)

Project proponents were given the opportunity to present for five minutes with an additional two minutes for question and answer. Twelve presenters participated in the meeting. Below is a list of the projects presented in the order discussed.

Three projects were withdrawn before the meeting: 24_BE_003 'Rehabitat Natives Marys Peak Noxious Weed Control', 24_BE_005 'City of Corvallis Public Works Riparian Alder Under-planting', and 24_LI_007 'Lincoln Soil and Water Conservation District Yachats River Riparian Restoration'.

Project Presentations

Order	Supporting Organization	Proposal(s)	Proposal Name
1	U.S. Forest Service Siuslaw	24_BE_001 24_DO_001 24_LA_001 24_LI_001 24_TI_001 24_YA_001	FS Road Maintenance
2	Institute for Applied Ecology	24_BE_002	IAE Old Peak Meadow Restoration
3	Rehabitat Natives	24_LI_002	RN Noxious Weed Control
4	Trail Keepers of Oregon	24_BE_004 24_DO_003 24_LA_005 24_LI_008 24_TI_005	TKO Trail Maintenance
5	Northwest Youth Corps	24_DO_002 24_LA_004 24_LI_004	NWYC Trail Maintenance
6	Oregon Department of Forestry - Western Lane District	24_LA_002	ODF Road Brushing & Maintenance
7 ¹	Oregon Department of Forestry - Forest Grove District	24_TI_002	ODF Bell Block Road Maintenance
8	Siuslaw Watershed Council	24_LA_003	SWC Sweet Creek Trail Revitalization
9	Lincoln Soil and Water Conservation District	24_LI_003	LSWCD County Riparian Noxious Weed Control
10	MidCoast Watersheds Council	24_LI_005	MCWC Echo Mountain Fire Recovery and Fish Passage
11	Tillamook Estuaries Partnership	24_LI_006 24_TI_003	TEP Youth Vegetation Restoration
12	Nestucca, Neskowin, & Sand Lake Watershed Council	24_TI_004	NNSLWC Lower Sutton Creek Fish Passage
13	Tillamook County Public Works	24_TI_006	TCPW Cedar Creek Road Improvement

¹ ODF – Forest Grove District was not present for the meeting, but their previous remarks about the project were verbally stated.

Public Forum (12:05 p.m.)

Time was set aside for members of the public to comment. One member of the public submitted a written comment; copies of this comment were shared with RAC members. The email address of the submission was redacted for privacy. No additional public comments were made.

LUNCH (12:07-1:15 p.m.)

District Ranger Comment Period (1:17 p.m.)

Central Coast District Ranger Michele Holman

- Funding that supports the work of our partners Northwest Youth Corps and Trail Keepers of Oregon and similar organizations that help people and youth connect to the land are our priority projects.
- All projects that have been submitted have merit.
- We believe the ODF road projects need more coordination and alignment with the USFS (24_LA_002). We have done a minimum roads analysis and a few of the roads mentioned in the project were identified for decommissioning and storage. Access for ODF is important and we hope to work with them in the future.
- The project that includes riparian planting in Yachats (24_LI_007) includes land that we manage as a meadow and some areas are not suited for this type of vegetation. This project may need more coordination and alignment. We hope to support riparian planting projects in the future. (Note: This project was withdrawn before the meeting.)

Hebo District Ranger Shawn Rivera

- All projects that have been submitted have merit.
- The following priorities support projects that we wouldn't have the capacity to do without partners or additional funding.
 - 24_LI_003 LSWCD County Riparian Noxious Weed Control. This project will help us significantly due to the aggressive nature of the target species.
 - 24_LI_005 MCWC Echo Mountain Fire Recovery and Fish Passage. This project will help us prevent an invasive species from establishing on the National Forest land after the large disturbance.
 - 24_LI_006, 24_TI_003 TEP Youth Vegetation Restoration. We depend on partners for coastally adapted plugs and seed sources.
 - 24_TI_004 NNSLWC Lower Sutton Creek Fish Passage. This project is important to us since the headwaters of this stream is on Forest Service land. It would help us with habitat and T&E species. We are working with Fish and Wildlife on this project as well.
 - 24_TI_006 TCPW Cedar Creek Road Improvement. This one is important to us because we use this road to access our fire resources. We are also considering the development of housing that would use this road for access. (Note: This project will not work without full funding.)

County Commissioners Comment Period (1:28 p.m.)

No county commissioners were present at any time during the meeting and no comments regarding RAC project proposals were made.

Voting on Proposed Projects (1:30 p.m.)

Projects submitted for the 2024 Siuslaw RAC meeting are listed below. Twenty-eight projects were submitted during the outreach period, three were withdrawn before the meeting. Each project has a unique proposal number, title, and requested funding amount (without the 8% overhead). Determine project voting decision by the funding amount in the column titled 'Amount Received'. Projects could be fully funded, partially funded, overfunded, not funded, or withdrawn from the voting process. A table of the final funding amounts can be found in Appendix A.

Benton County

Motion to fully fund projects 24_BE_002 and 24_BE_004 and use the remaining \$9,946 in Benton County to partially fund 24_BE_001 by Jody Philips; Mary Jo Wevers seconded. Motion passed.

Available funds: \$38,809

Remaining Funds: \$0

Proposal Number	Proposal Name	Supporting Organization	Amount Requested	Amount Received	Overhead Amount (8%)
24_BE_001	FS Road Maintenance	USFS Siuslaw	\$ 10,000	\$ 9,210	\$ 736
24_BE_002	IAE Old Peak Meadow Restoration	Institute for Applied Ecology	\$ 19,994	\$ 19,994	\$ 1,600
24_BE_003	RN Marys Peak Noxious Weed Control	Rehabitat Natives	\$ 12,500	Project Withdrawn	Project Withdrawn
24_BE_004	TKO Trail Maintenance	Trail Keepers of Oregon	\$ 6,731	\$ 6,731	\$ 538
24_BE_005	CCPW Riparian Alder Under-planting	City of Corvallis Public Works	\$ 23,864	Project Withdrawn	Project Withdrawn

Coos County

Available funds: \$40,216

Remaining funds: \$40,216

No projects were solicited for Coos County funding. No voting occurred. Remaining Coos County funds will be available during the next Siuslaw RAC project solicitation and meeting.

Douglas County

Motion to approve all projects with full funding by Dustin Sievers; Mike Webb seconded.
No vote.

Motion to fully fund projects 24_DO_002 and 24_DO_003 and use \$30,000 to overfund 24_DO_001 by Dustin Sievers; motion was not seconded.

Motion to fully fund projects 24_DO_002 and 24_DO_003 with full funding and use the remaining \$36,136 in Douglas County to overfund 24_DO_001 by Chris Laity; Dustin Sievers seconded. Motion passed.

Available funds: \$81,323

Remaining funds: \$0

Proposal Number	Proposal Name	Supporting Organization	Amount Requested	Amount Received	Overhead Amount (8%)
24_DO_001	FS Road Maintenance	USFS Siuslaw	\$ 10,000	\$ 33,460	\$ 2,676
24_DO_002	NWYC Trail Maintenance	Northwest Youth Corps	\$ 26,890	\$ 26,890	\$ 2,151
24_DO_003	TKO Trail Maintenance	Trail Keepers of Oregon	\$ 14,950	\$ 14,950	\$ 1,196

Lane County

Motion to fully fund 24_LA_001, 24_LA_003, 24_LA_004, 24_LA_005, and use the remaining \$53,248 in Lane County to partially fund 24_LA_002 by Chris Laity; Mike Webb seconded. Motion passed.

Available funds: \$262,509

Remaining funds: \$0

Proposal Number	Proposal Name	Supporting Organization	Amount Requested	Amount Received	Overhead Amount (8%)
24_LA_001	FS Road Maintenance	USFS Siuslaw	\$ 50,000	\$ 50,000	4,000

24_TI_006	TCPW Cedar Creek Road Improvement	Tillamook County Public Works	\$ 77,000	\$ 77,000	\$ 6,160

Yamhill County

Motion to overfund 24_YA_001 FS Road Maintenance at \$83,518 by Mike Kennedy; Jody Philips seconded. Motion passed.

Yamhill County has a remainder of \$55,113. Leftover funds will be available during the next Siuslaw RAC project solicitation and meeting.

Available funds: \$138,631

Remaining funds: \$55,113

Proposal Number	Proposal Name	Supporting Organization	Amount Requested	Amount Received	Overhead Amount (8%)
24_YA_001	FS Road Maintenance	USFS Siuslaw	\$ 25,000	\$ 77,332	\$ 6,186

Voting Question and Answer

Questions answered during the voting process.

Question: Can the RAC vote to underfund projects?

Answer: Yes.

Question: Can the RAC vote to overfund projects? Does the proposal need amended?

Answer: Yes, the RAC can overfund projects. The proposal does not need to be amended.

Question: Can the RAC vote on multiple projects at once?

Answer: Yes.

Question: Does a role call need to occur for the official vote?

Answer: We will use a role call for the voting process during this meeting. We can clarify this rule for future meetings.

Question: Can the RAC move money between counties?

Answer: That could occur if it is proposed by the county commissioners. We would not move funding without county commissioner support or approval.

Question: If an approved project has surplus funds after it is completed, where does that money go?

Answer: Any leftover funding would return to the Siuslaw RAC and can be used for other approved RAC projects.

Next Steps (2:40 p.m.)

RAC Coordinator – Joanie Schmidgall

- The RAC chairperson and DFO will sign the bylaws.
- The meeting notes will be sent to the RAC for review. If no response or comments are received by the deadline, it will be assumed there are none.
- DFO will take a second look at the recommendations and finalize them. If funds are obligated differently than recommended, the RAC will be informed.
- RAC chair and DFO will approve the final notes and sign the final list of approved projects.
- The final notes and approved project list will be posted to our Forest Service website.

DFO Closing Comments – Becca Brooke

- Thank you to the RAC members for participating in this process, this committee handled the voting with a lot of grace and efficiency. Please help us recruit for our future RAC and apply for another term if you are eligible.
- There was a project that was funded in 2021 for Northwest Youth Corps that is a little short on funding. We are hoping to use about \$2,000 from previous year's funding.

Question: Will the recording and voting notes be made public?

Answer: The notes will be made public and the recording will be used for internal record keeping. A Freedom of Information Act (FOIA) request can be made to access of a copy of the recording.

Excess Funding

At the end of the voting, three counties have remaining funds: Coos at \$40,216, Polk at \$304, and Yamhill at \$55,113. These funds will be available during the next Siuslaw RAC project solicitation and meeting.

Next Siuslaw RAC Meeting

After a new Siuslaw RAC is approved by the U.S. Secretary of Agriculture, an additional Siuslaw RAC meeting could occur as soon as 2026.

Meeting Adjourned 2:47 PM

I hereby certify that, to the best of my knowledge, the foregoing minutes are accurate and complete.

7/16/24

Becca Brooke—Designated Federal Officer
Forest Supervisor of the Siuslaw National Forest

 7/10/2024

Jody Coleman Philips—Siuslaw RAC Chair
