This is a snapshot of the Benefit and Risk Summary Worksheet. It contains no formulas, and may be used for further analysis of various types. It is sorted by													Sum of Benefit Numbers	Sum of Risk Numbers	Sum of Benefit Numbers Categorized as follows: >5.9 = High Benefit 0 - 5.9 = Low Benefit	Sum of Risk Numbers Categorized as follows: >9.9 = High Risk 0 - 9.9 = Low Risk	High Benefit + Low Risk = 1 High Benefit + High Risk = 2 Low Benefit + High Risk = 3 Low Benefit + Low Risk = 4
