

# Hemlock Cliffs Trail

## Location specific information

Use type: hiking

Length of trail: 1.4 miles

Facilities: parking area (RVs are not permitted)

Special features: This trail leads you into a box canyon under a lush canopy of large hemlocks, through rock shelters and past high seasonal waterfalls. The canyon provides a cool climate for lush vegetation including wintergreen, wild geranium and French's shootingstar. Parts of the trail are steep and slippery when wet, so use caution.
