

Motor Vehicle Use Map

Olympic National Forest
 Pacific Ranger District (North)
 America's Great Outdoors

Washington Forest Service APR 01 2024

United States Department of Agriculture

FS-873-0609

THE PURPOSE AND CONTENTS OF THIS MAP

The designations shown on this map are effective as of the date stamped or printed on the front cover. This map shows the National Forest System roads, National Forest System trails, and the areas on National Forest System lands in the Olympic National Forest that are designated for motor vehicle use pursuant to 36 Code of Federal Regulations (CFR) 212.51. The map contains a list of those designated roads, trails, and areas, the types of vehicles allowed on each route and in each area, and any seasonal restrictions that apply on those routes and in those areas. Designation of a road, trail, or area for motor vehicle use by a particular class of vehicle under 36 CFR 212.51 should not be interpreted as encouraging or inviting use or implying that the road, trail, or area is passable, actively maintained, or safe for travel. Motor vehicles may be parked within one vehicle length from the edge of the road surface when it is safe to do so without causing damage to USDA Forest Service resources or facilities, unless prohibited by state law, a traffic sign, or an order (36 CFR 261.54). Seasonal weather conditions and natural events may render designated roads and trails impassable for extended periods. Designated areas may contain dangerous or impassable terrain. Many designated roads and trails may be passable only by high-clearance vehicles or four-wheel-drive vehicles. Maintenance of designated roads and trails will depend on available resources, and many may receive little maintenance.

This motor vehicle use map identifies those roads, trails, and areas designated for the motor vehicle use under 36 CFR 212.51 for the purpose of enforcing the prohibition at 36 CFR 261.13. This is a limited purpose. The other public roads are shown for information and navigation purposes only and are not subject to designation under the Forest Service travel management regulation. **These designations apply only to National Forest System roads, National Forest System trails, and areas on National Forest System lands.**

OPERATOR RESPONSIBILITIES

Operating a motor vehicle on National Forest System roads, National Forest System trails, and in areas on National Forest System lands carries a greater responsibility than operating that vehicle in a city or other developed setting. Not only must you know and follow all applicable traffic laws, you need to show concern for the environment, as well as other forest users. The misuse of motor vehicles can lead to the temporary or permanent closure of any designated road, trail, or area. As a motor vehicle operator, you are also subject to State traffic law, including State requirements for licensing, registration, and operation of the vehicle in question. Motor vehicle use, especially off-highway vehicle use, involves inherent risks that may cause property damage, serious injury, and possibly death to participants. Drive cautiously and anticipate rough surfaces and features such as snow, mud, vegetation, and water crossings common to remote driving conditions. By your participation, you voluntarily assume full responsibility for these damages, risks, and dangers. Take care at all times to protect yourself and those under your responsibility. Much of the Olympic National Forest is remote. Medical assistance may not be readily available. Cellular telephones do not work in many areas of the Olympic National Forest. Take adequate food, water, first-aid supplies, and other equipment appropriate for the conditions and expected weather. **ALWAYS REMEMBER TO RESPECT PRIVATE LAND! PROTECT YOUR PRIVILEGE. STAY ON DESIGNATED ROADS, TRAILS, AND IN DESIGNATED AREAS.** Read and understand this map in its entirety. If you have questions, please contact the Olympic National Forest for clarification. As a motor vehicle operator on a National Forest System road, trail, or area, you must comply with this map, as well as all Federal, State, and local laws and regulations. Compliance with these rules is your responsibility.

PROHIBITIONS

It is prohibited to possess or operate a motor vehicle on National Forest System lands on the Olympic National Forest other than in accordance with these designations (36 CFR 261.13). Violators of 36 CFR 261.13 are subject to a fine of up to \$5,000, imprisonment for up to 6 months or both (18 U.S.C. 3571(e)). This prohibition applies regardless of the presence or absence of signs. This map does not display non-motorized uses, over-snow uses, or other facilities and attractions on the Olympic National Forest. Obtain forest visitor information from the local national forest office. Designated roads, trails, and areas may also be subject to temporary, emergency closures. As a visitor, you must comply with signs notifying you of such restrictions. A national forest may issue an order to close a road, trail, or area on a temporary basis to protect the life, health, or safety of forest visitors or the natural or cultural resources in these areas. Such temporary and/or emergency closures are consistent with the Travel Management Rule (36 CFR 212.52 (b), 36 CFR 261.52 (b)). The designation "road or trail open to all motor vehicles" does not supersede vehicle size or weight limits imposed through State traffic law.

CONTACT INFORMATION

If you need information or assistance, please contact one of the offices below.

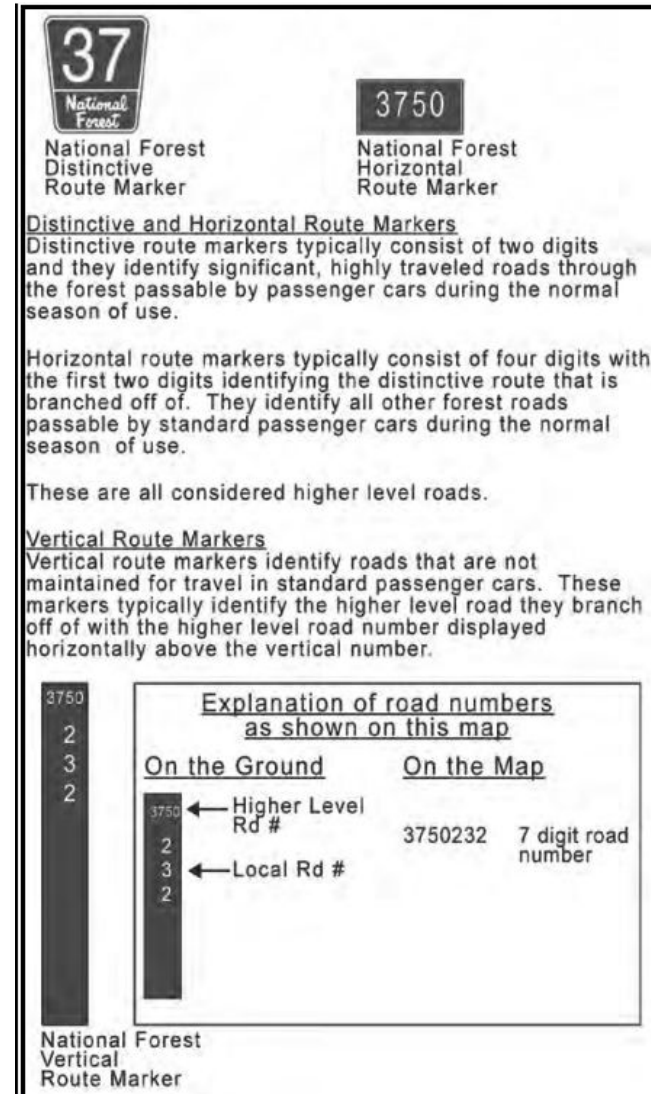

OLYMPIC NATIONAL FOREST
 1835 Black Lake Blvd., SW
 Olympia, WA 98512-5623

 Quinalt, WA 98575
 (360) 988-0203

ROUTE MARKERS

Horizontal route markers typically consist of four digits with the first two digits identifying the distinctive route that is branched off of. They identify all other forest roads passable by standard passenger cars during the normal season of use. Vertical route markers identify roads that are not maintained for travel in standard passenger cars. These markers typically identify the higher level road they branch off of with the higher level road number displayed horizontally above the vertical number.

These are all considered higher level roads.

Vertical Route Markers identify roads that are not maintained for travel in standard passenger cars. These markers typically identify the higher level road they branch off of with the higher level road number displayed horizontally above the vertical number.

On the Ground: Higher Level Rd #, Local Rd #

On the Map: 3750232 (7 digit road number)

Legend

- Mountain Peak
- Administrative Site
- Boating Site
- FS Campground
- FS Horse Camp
- FS Lookout/Cabin
- FS Picnic Site
- FS Trailhead
- FS Road Open to Highway Legal Vehicles Only
- FS Road Open to Passenger Vehicles
- FS High Clearance Vehicles
- Major Road
- Local Connecting Road
- FS Seasonal Roads
- Trail
- Forest or Uplift Boundary
- National Forest System Land
- Non-National Forest System Land
- FS Wilderness
- Waterbody

Explanation of Legend Item

- FS Road Open to Highway Legal Vehicles Only: These roads are open only to motor vehicles licensed under State law for general operation on all public roads within the State.
- FS High Clearance Vehicles: These roads are by considered "flat". These symbols are used to show routes the Forest Service does not have jurisdiction over and has not designated for motorized use. These symbols are part of the reference system showing connections to towns and cities outside the forest boundary.
- FS Seasonal Road: These roads have seasonal designation and are not available year round.
- FS Trail Open to Motorcycles Only: These trails are open only to motorcycles. Sidebars are not permitted.

Seasonal Roads Table

Road Name	County	Designation	Dates Allowed
220410	CAMPBELL CO	Seasonal, High Clearance Vehicle	04/01-10/31
227000	NWA	Seasonal, High Clearance Vehicle	06/16-09/30

230100	KLAMATH CO	Seasonal, High Clearance Vehicle	04/01-10/31

Motor vehicles may be parked within one vehicle length from the edge of the road surface when it is safe to do so without causing damage to USDA Forest Service resources or facilities, unless prohibited by state law, a traffic sign, or an order (36 CFR 261.54).

DISPENSED CAMPING
 Motor vehicle use off of designated roads for the purpose of dispersed camping is permitted for up to 150 feet from the centerline of the road either both side of the road on National Forest System Lands (NFS), ownership or side opposite non NFS ownership. Refer to the list of roads in the Road Seasonal and Special Vehicle Designations table for any restrictions that apply.

Scale: 1:63,360
