

Native Landscape Plants List for use on the NRA.

Common name	Scientific name	Cultural requirements	Possible site use
Evergreen Trees			
Interior live oak	<i>Quercus wislizenii</i>	Full sun, low summer water once established	
Canyon live oak	<i>Quercus chrysolepis</i>	Full sun, low summer water once established	
California bay	<i>Umbellularia californica</i>	Sun or part shade, regular summer water	
Incense-cedar	<i>Calocedrus decurrens</i>	Sun, occasional summer water	
Coast redwood	<i>Sequoia sempervirens</i>	Sun or part shade, regular summer water	
Deciduous Trees			
California sycamore	<i>Platanus</i>	Sun, regular summer water	
Western redbud	<i>Cercis occidentalis</i>	Sun or part shade, regular summer water	
Pacific dogwood	<i>Cornus nuttallii</i>	part shade, regular summer water	
Garry/white oak	<i>Quercus garryana</i>	Full sun, low summer water once established	
Valley oak	<i>Quercus</i>	Full sun, low summer water once established	
Kellogg/black oak	<i>Quercus kelloggii</i>	Full sun, low summer water once established	
Blue oak	<i>Quercus douglasii</i>	Full sun, no summer water once established	
White alder	<i>Alnus rhombifolia</i>	Sun or part shade, regular summer water	
Large Evergreen shrubs			
Ceanothus large cultivars	<i>Ceanothus cv.</i>	Full sun, no summer water once established	
California coffeeberry	<i>Rhamnus californica</i>	Sun or part shade, occasional summer water	

Flannelbush	<i>Fremontodendron</i>	Full sun, no summer water once established	
Toyon	<i>Heteromeles arbutifolia</i>	Sun or part shade, occasional summer water	
manzanita	<i>Arctostaphylos manzanita</i>	Full sun, no summer water once established	
Large Deciduous shrubs			
Western redbud	<i>Cercis occidentalis</i>	Sun or part shade, regular summer water	
Western spicebush	<i>Calycanthus occidentalis</i>	part shade, regular summer water	
Snowdrop bush	<i>Styrax officinalis</i>	Sun or part shade, regular summer water	
Birchleaf mountain mahogany	<i>Cercocarpus betuloides</i>	part shade, occasional or regular summer water	
Blue elderberry	<i>Sambucus</i>	Sun or part shade, regular summer water	
Button-willow	<i>Cephalanthus occidentalis</i>	Sun, regular summer water	
Mock-orange	<i>Philadelphus lewisii</i>	part shade, regular summer water	
California buckeye	<i>Aesculus californica</i>	Sun or part shade, regular summer water	
Brown dogwood	<i>Cornus glabrata</i>	part shade, regular summer water	
Vine maple	<i>Acer circinatum</i>	shade, regular summer water	
Medium Evergreen shrubs			
Silk-tassel	<i>Garrya congdonii</i>	Sun or part shade, occasional summer water	
manzanita	<i>Arctostaphylos</i>		
Wedgeleaf ceanothus	<i>Ceanothus cuneatus</i>	Sun, no summer water once established	
Medium Deciduous shrubs			
Western azalea	<i>Rhododendron occidentale</i>	Shade, regular water	
Shasta snow wreath	<i>Neviusia cliftonii</i>	Shade, regular water	
ninebark	<i>Physocarpus capitatus</i>	Shade, regular water	

American dogwood	<i>Cornus sericea</i>	Shade, regular water	
deerbrush	<i>Ceanothus integerrimus</i>	Sun or part shade, occasional summer water	
Low Evergreen shrubs			
Lemmon ceanothus	<i>Ceanothus lemmonii</i>	Sun, no summer water once established	
Ceanothus cultivars	<i>Ceanothus cvs</i>	Sun, no summer water once established	
Low Deciduous shrubs			
Douglas spiraea	<i>Spiraea douglasii</i>	Sun or part shade, regular water	
California wild rose	<i>Rosa californica</i>	Sun or part shade, regular water	
grasses			
California fescue	<i>Festuca californica</i>	Sun or part shade, occasional summer water	
Idaho fescue	<i>Festuca idahoensis</i>	Sun or part shade, occasional summer water	
Tufted hairgrass	<i>Deschampsia cespitosa</i>	Sun or part shade, regular summer water	
Purple needlegrass	<i>Nassella pulchra</i>	Sun or part shade, dry or occasional summer water	
California brome	<i>Bromus carinatus</i>	Sun or part shade, occasional summer water	
Blue wild-rye	<i>Elymus glaucus</i>	Sun or part shade, dry or occasional summer water	
Groundcover & vines			
Oregon-grape	<i>Berberis spp</i>		
Bleeding heart	<i>Dicentra formosa</i>	Shade, regular water	
Mahala mat	<i>Ceanothus prostratus</i>		
California wild grape	<i>Vitis californica</i>	Sun to part shade, regular water	
California pipevine	<i>Aristolochia californica</i>	Shade, regular water	

Western virgin's-bower	<i>Clematis ligusticifolia</i>	Sun or part shade, regular water	
Chaparral virgin's-bower	<i>Clematis lasiantha</i>	Sun or part shade, occasional water	
Ferns			
Giant chain fern	<i>Woodwardia fimbriata</i>	Shade, regular water
