<b>10. Project Description:</b> a. Brief: ( <i>in one sentence</i> ) Provide winter grooming for the Dan Moller and Lake Creek trails.  b. Detailed: This project will provide funding for winter trail grooming by the Juneau Snowmobile Club (JSC) for the Dan Moller and Lake Creek/Spaulding Meadows trails. Grooming frequency will be 1-3 times per week depending on snow conditions and usage levels. The JSC will use its grooming snowmobile and groomer attachment. Without grooming, these trails become rough with large moguls, making the trails much more difficult to negotiate for all trail users.
