I have actively engaged with an industry association or stakeholder group in the last six months: **yes or no**

I have actively participated in Wood Innovation Program or Hazardous Fuels Transportation Assistance program: **yes or no**

2 CLASSIFICATION

(Please select one)

2a. Forest Operator

2b. Wood Processing Facility

Wood Processing Facility, Bioenergy Facility, Sawmill

Primary wood products that are produced through facility are:

2c. Forest Operator & Wood Processing Facility

3 FEEDSTOCK SOURCE & QUANTITY

3a. Raw feedstock source by National Forest: _____

3b. I actively purchased or participated in bidding on 2400-13T's, IRSC's, and GNA Task Orders
(please select all that apply)

3c. Total green CCF/Tons currently harvested/utilized annually from federal sources:

3d. Total green CCF/Tons currently harvested/utilized annually from non-federal sources:

3e. Total acres procured under contract/agreement: _____

3f. Total acres harvested/utilized annually from federal sources: _____

3g. Raw material needs for full capacity outputs CCF/Tons:

4 UTILIZATION

4a. Below please give an estimate of annual volume utilized by product. Also provide an estimate of maximum mill capacity by product. Please describe product specifications. Please include units when applicable.

Product	Species Utilized	Max Diameter Inside Bark (D.I.B)	Minimum Diameter Inside Bark (D.O.B)	Minimum Log Length	Quality Requirements	Annual Utilized Volume	Maximum Annual Volume Capacity

***** If you have a mill specification sheet, please provide a copy with this assessment*****

4b. Do our current minimum log length requirements and small end D.I.B meet your processing needs? Do they allow you to be more flexible in product diversification?

4c. Average haul distance to receiving location: _____

4d. Minimum haul distance miles: _____ Maximum haul distance miles: _____

5 OTHER

5a. I elect to be added to the master's bidders list to receive notices from the Forest Service.
(Please select preference: electronic notices via email, hardcopy via Postal Service)

Signature X. _____

Date: _____

5b. Other questions, comments, suggestions, or feedback?

5c. Send completed document by April 30, 2025 to: Attn David Lawrence, Timber Sale Administration Specialist, Southwestern Regional Office, USDA Forest Service, 333 Broadway Blvd. SE, Albuquerque NM, 87102
