Wilderness Grazing	Pack stock grazing is permitted in most wilderness areas as weather and seasonal conditions permit. For the latest grazing regulations please contact the High Sierra Ranger Station in Prather at 559-855-5355
Campfire Regulations	No fires permitted above 10,000 feet. The wilderness permit includes the campfire permit. An innovative method for building a Leave No Trace fire is to pack a portable fire pan (a simple metal tray with rigid sides at least three inches high). Metal oil drain pans and pans from backyard barbecue grills are effective and inexpensive fire pans. Fire pans may also be purchased at outdoor sporting goods stores. A campfire permit is required for overnight camping at the trailhead.

Food Storage	<b>This is bear country.</b> It is important to use the most effective food storage methods to protect yourself and your food/refuse from unnecessary bear encounters. Two proven methods acceptable in the Sierra Nevada Wilderness Areas include the use of an approved bear canister or the counter balance methods. To learn more about protecting your food sources and bear activity in the Sierra Nevada visit <a href="http://sierrawild.gov/bears/overview">http://sierrawild.gov/bears/overview</a> . To locate trailheads with food storage lockers please visit: <a href="http://www.climber.org/data/BearBoxes/map.html">www.climber.org/data/BearBoxes/map.html</a>
Pets	Domestic pets are allowed in the Kaiser Wilderness Area. Wilderness Visitors are responsible for their pet's actions and welfare. Pets should be leashed and under direct voice control. When camping or hiking in areas with other visitors, pets must be kept on a leash.
