

# Beartooth All-American Road Interpretive Signs

Island Lake, Castle Mountain, and Castle Rock Mountain  
Island Lake Campground, Mile Post 30

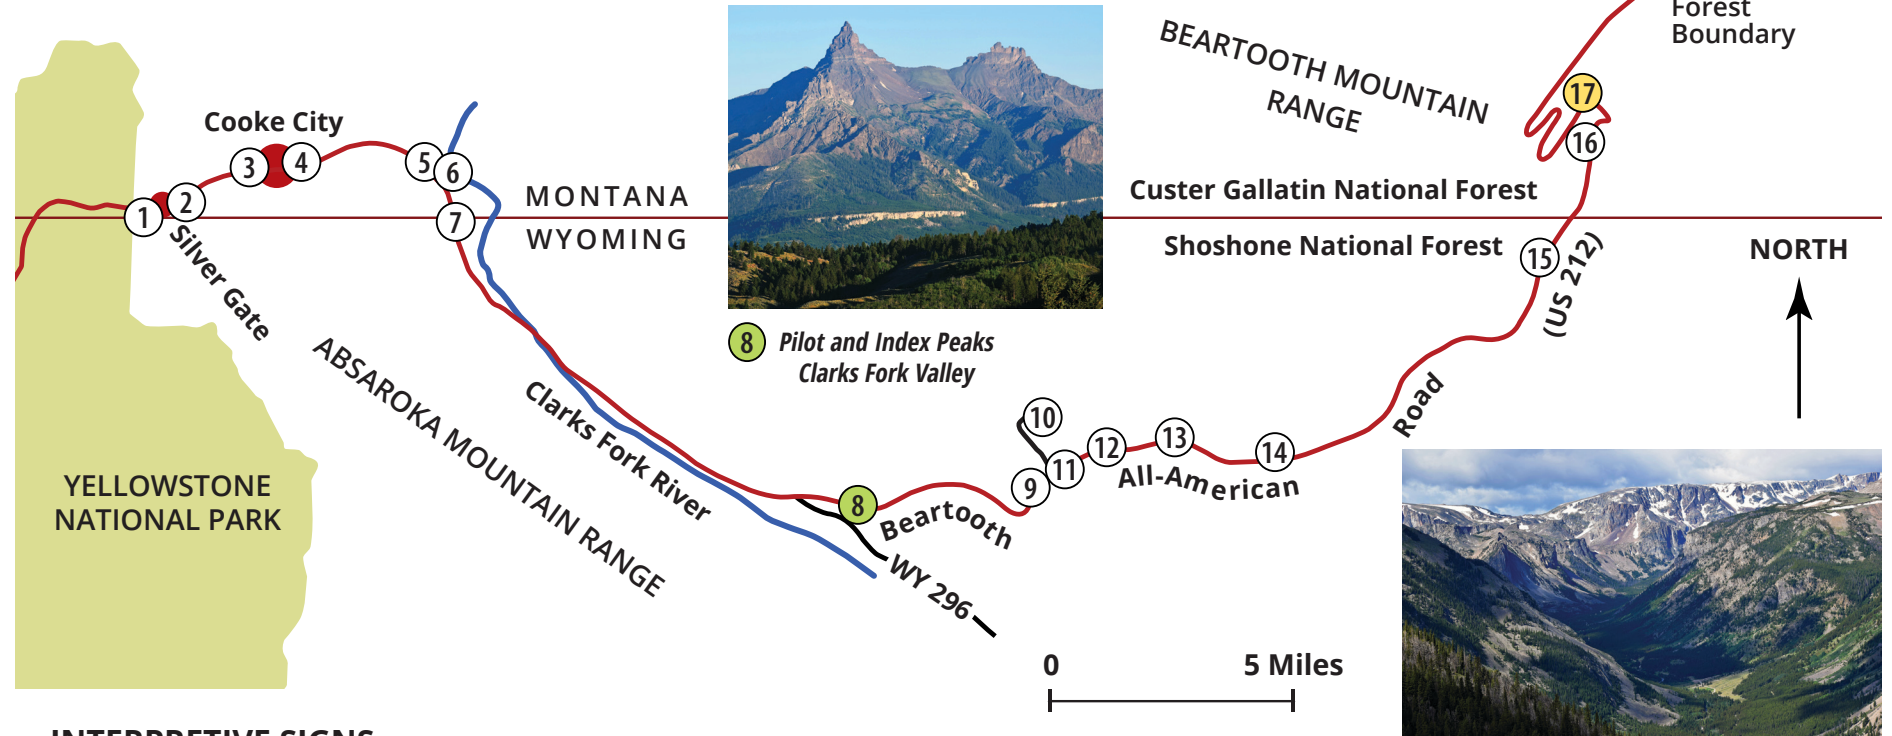

## Custer Gallatin and Shoshone National Forests

United States Department of Agriculture

The Beartooth All-American Road has been described as being the most beautiful highway in America. Interpretive signs describing historic, ecologic, geologic, and recreational features are located at 18 turnouts along the road between the Northeast Entrance to Yellowstone National Park and Red Lodge, Montana.
